## 'FISH DAY' SET FOR MONDAY AT HAMLIN SWIMMING POOL

The Hamlin Foundation Swimming Pool has become a very popular place since opening Friday. A check with operator Dan Truelove revealed that there had been a crowd of swimmers every day since the opening. The pool is open daily from 1 to 6 p.m. and closed on Wednesdays.

Truelove announced Tuesday mornings from 9 to 11 as Women's Day, and Thursday at 6 p.m. for Men's Day.

A special attraction for the swimmers and spectators as well will be Fish Day, Monday, June 15, five fish will be turned loose in the pool. Five week-day passes will be given to each swimmer catching a fish. Three fish will be freed in the shallow water and two will be placed in the deep end.

Swimming lessons will be set up for beginners, intermediates and advanced swimmers if enough sign up to warrant a class. All interested in taking lessons should call SP 4-1271.

## County Court Pays All But \$10,000 of Tax Valuation Fee

Jones County Commissioners Court Monday authorized payment of all but \$10,000 of the \$45,921 fee for the tax valuation survey now being conducted by McMorris and Co. of Amarillo. The \$10,000 will be withheld until all hearings have been held and the new tax values become effective.

The court had previously paid about 60 per cent of the total price as work progressed. McMorris and Co. will pay Jones County \$1500 to cover rent on space occupied in the courthouse during the survey.

Commissioners learned that all field work will be completed this week and that everything will be in readiness for the equalization board meeting later this month.

Judge Leon Thurman read a letter from Mrs. Z. Lindsey Encke, coordinator of Jones County Vocational School, expressing thanks for cooperation of the court with the school.

"The school has been a successful operation in which you have had a vital part; not only has it helped the veterans of two wars to rehabilitate and prepare for a better position in society but it brought a monetary gain into Jones County over the years. These benefits for the veteran and Jones County were made possible by your court," the letter said.

The court also approved a bid of \$1,016.94 to WTU for moving utilities lines on Highway 177 between Stamford and Anson, work made necessary by improvement of the highway.

Mr. and Mrs. Dan Neithercutt moved to Amarillo Saturday. Mr. Neithercutt is employed by Santa Fe Railroad.

## Police Department Offering Vacation House Check

With vacation time here the Hamlin Police Department reminds residents of a service of the department to help watch their property while they are out of town. Frank Chapman, police chief, said this week that residents leaving town may call the Police Department in order for a security house check form to be filled out.

With this service a member of the department will check the residence periodically while the occupant is out of town.

## FIRE DEPARTMENT STARTS FUND FOR BILL HARRISON

A fund to aid the Bill Harrison family has been started by members of the Hamlin Volunteer Fire Department. Mr. Harrison, a longtime member of the department before going to Abilene several weeks ago to become manager of the White's Auto Store.

Mr. Harrison, hospitalized in the West Texas Hospital in Lubbock, was seriously injured in an automobile-train wreck in Abilene May 30. Their 12-year old son, Phil, was fatally injured.

According to ward received here Monday morning he was continuing to improve. Money to be included in the fund may be given any member of the Fire Department or deposited with the Farmers and Merchants National Bank.

The women's softball team, Hamlin Rebels, will start their season play Tuesday night, June 16, at the City Park against the Abilene team. Game time will be 7:45.

The Rebels won the Roscoe Women's League last year and won two other trophies, including first place in their own tournament.

The team would like to thank all the people who helped them have a successful season last year. Especially Bill Adair, who cooperated so nicely with them in the use and care of the park.

The Rebels promise to have a good team this year and hope all will come out and watch them play.

The players are: Zean Winegeart, catcher; Mrs. Paul Cooper, pitcher; Mrs. J. O. Murphy, first base; Mrs. Coy Pritchard, second base; Kay Hodnett, third base; Mrs. Roy Thompson, short stop; Mrs. Clyde Brown, left field; Mrs. Jerry Pritchard, center field; Carolyn Henderson, right field; Margie Ford, Lettie Allen and Teresa Gabriel are the utility players.

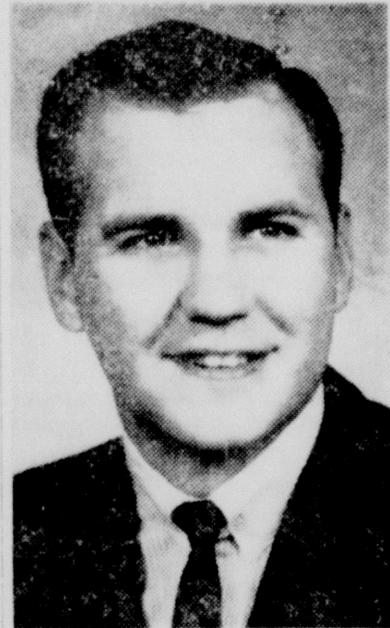

The Rebels are managed by Jerry Pritchard. The following merchants helped the team buy their uniforms: Mid-West Oil Mill, Hastings Texaco Service Station, Pritchard & Sons, Bill's Superette, Howard Food Market, A. E. Killian Trucks and Carter's Dairy Cream.

Retiring officers are: President, L. E. Million, Jr.; vice president, Irene Stewart; second vice president, Mrs. T. A. Upshaw; third vice president, Mrs. Hazel Fuqua; recording secretary, Olive McDougal; treasurer, Addie Mae Kennedy, all of Stamford and John C. Bryant, Hamlin State Director.

New officers serving the County Association with Miss Dougherty are: President W. E. (Gene) Scott, Anson; vice president, Ben Neidecken, Anson; second vice president, Joel Grimes, Avoca; recording secretary Peggy Glazner, Anson; treasurer Ernest M. Sprayberry, Jr. of Anson and L. E. Million, Jr. State Board Director, Stamford.

Miss Ina B. Dougherty, former Tax Assessor-Collector for Jones County, has been elected Executive Secretary for the Jones County TB Association to fill the vacancy after the resignation of Mrs. Mildred Williams of Stamford, who has served in this capacity for the past two years.

New officers serving the County Association with Miss Dougherty are: President W. E. (Gene) Scott, Anson; vice president, Ben Neidecken, Anson; second vice president, Joel Grimes, Avoca; recording secretary Peggy Glazner, Anson; treasurer Ernest M. Sprayberry, Jr. of Anson and L. E. Million, Jr. State Board Director, Stamford.

Retiring officers are: President, L. E. Million, Jr.; vice president, Irene Stewart; second vice president, Mrs. T. A. Upshaw; third vice president, Mrs. Hazel Fuqua; recording secretary, Olive McDougal; treasurer, Addie Mae Kennedy, all of Stamford and John C. Bryant, Hamlin State Director.

## Albrittons Win Bridge Contest

Mr. and Mrs. Henry Albritton were first in the Hamlin Duplicate Bridge Tournament Thursday night at the Oil Mill Guest House. Mr. and Mrs. Starr Inzer were second and Mr. and Mrs. C. P. Yates of Stamford were third.

Their next meeting will be next Tuesday at 7:00 p.m.

## PERFORMANCES START AT 7:30 NIGHTLY THROUGH SAT.

The sixth annual rodeo sponsored by the Hamlin Riding Club will get underway here Thursday with a downtown parade at 4 p.m. The Hamlin High School band under the direction of Tim Jones will lead the parade. Mary Lois Patterson, drum major, Donna Compton, Jane Ferguson, Lynn Brannon and Glenda Hudspeth, band twirlers, will lead the band. The band will be dressed in blue jeans and white shirts.

Posse groups from Cross Plains, Aspermont, Fisher County and Merkel have indicated they will be here for the parade and the opening night performance.

The parade route as announced by parade bosses Elmer Brewer and Mrs. John Johnson is as follows: originate at City Park, travel east on Southwest Fifth Street to South Central, turn north and continue to Simpson's Grocery on North Central, turn west one block, south to West Lake Drive, east to South Central, south on South Central to Southwest Fifth Street and back to the Park to disband.

Out-of-town riding groups will be guests of the local club at a bar-b-cue dinner in the high school cafeteria at 5:30 p.m. Others planning to attend the dinner may purchase tickets.

## John C. Smith, 87, Dies in Lubbock, Buried Here Sat.

Services were held here Saturday at 2 p.m. for John Calhoun Smith, 87, who died at 5:30 p.m. Wednesday, June 3, in Lubbock where he had lived for the past five years. He formerly lived in Hamlin and Sweetwater.

Services were conducted in the Central Avenue Baptist Church with the pastor, Rev. Bill Irwin, officiating. Burial was in Hamlin East Cemetery.

Born Sept. 23, 1876, in Bell County, he was the son of the late Mr. and Mrs. William Smith. He was married to Emma Dennis in Bell County.

He was a retired farmer and a member of the Baptist Church.

Survivors include his wife, three sons, W. W. of Lubbock; J. D. of Bellflower, Calif.; V. V. of Houston; four daughters, Mmes. Fairy Polly of Santa Maris, Calif.; Maudie Adams of Newhall, Calif.; Gertrude Boice of North Hollywood, Calif.; Pearlene Knoll of Downey, Calif.; one sister, Mrs. Sally Pippens of Cisco; 15 grand children and 20 great-grandchildren.

Flag racing prizes include first, buckle, Frank's Department Store; second, leather ties, John's Boot and Saddle Repair; third, \$1.

The first place winner in the goat sacking event will receive a buckle from Frank's.

Parade trophies for the top three riding clubs are being donated by Joe Hudspeth's and Piggly Wiggly.

These will be presented following the grand entry tonight.

The rodeo is being produced by Sand Hill Rodeo Company of Welch under the direction of Red Whitley.

Other events will include bareback riding, calf roping, 45-year old roping, team tying, and bull riding.

A booster group made up of nine cars went to Rotan, Roby, Merkel, Abilene, Stamford and Aspermont to advertise the rodeo.

## THE MINISTER SPEAKS— THE INTEGRATED LIFE

pastor, Church of the Nazarene. Thousands of people have found an integrated life in God. Right now you may hear a thousand voices calling you to get you to look in as many directions, but the voice of wisdom speaks from the ages past, saying, "The fear of God is the beginning of knowledge." This voice still comes from the church today.

To illustrate what I mean I will use our solar system as an example. Nine planets revolve around the sun as their center. Regulation with the sun has regulated them with one another. In that same sense, if one will make God the center around which his life revolves, he can have an integrated life. He cannot change all the world around him, but his relationship with God will change him until it seems that others have changed. Then as others make God the center of their lives, frictions and collisions will be diminished. But the greatest insecurity and unity will bring peace to any troubled mind. You may have a struggle within. "Fightings without and fears

within." One of the greatest fears of man is what others think about him. Such fears have been a factor in people becoming introverts. There may be a light going on in your heart. You, like Pilot, may be having a struggle-pressure being brought to bear from all sides. But that pressure need not frustrate you if you make God the center of your life.

I went into a jewelry store and inquired of the correct time. The jeweler said, "You cannot rely on these watches and clocks on the counter to give you the correct time, but the one on the wall is wired up with Western Union, it has an automatic adjustment that re-adjusts it every hour." My mind immediately turned to spiritual things and I saw in my imagination hundreds of people wired up with God who keeps their lives adjusted with him. The ones in the showcase only have their own adjustments and cannot be relied in. People need a power outside of their own and greater than their own. They find that in God.

## YEARS AGO...

TEN YEARS AGO:  
Best wheat in four years in this section is making an average of 15 bushels per acre, according to grain buyers.

The big \$500,000 gas plant of the Texas Pacific Coal & Oil Company recently completed six miles northwest of Hamlin, is scheduled to go into full operation this week, according to Stanley Davis, T-P superintendent out of the Fort Worth T-P office.

Walter Chalcraft, band director for Hamlin schools for five years has resigned to become connected with a music store in Abilene.

FIFTEEN YEARS AGO:

W. C. Kidd of Pecos was a guest this week in the home of his son, Lonnie Kidd, and of his two daughters, Mrs. J. D. Putman and Mrs. Mildred Roach.

Police Chief J. H. Foster will leave Sunday for Houston, where he will attend the annual convention of Texas police chiefs.

Addition of two new clubs to the six-member Oil Belt Baseball League was announced this week. Teams now include Hamlin, Trent, Divide, Sweetwater, Loraine, Merkel, Hodges and Thornton Motors of Abilene.

TWENTY-FIVE YEARS AGO:

Weldon Carlton, son of Mr. and Mrs. A. H. Carlton, arrived Tuesday morning from Maracaibo, Venezuela, where he has been for the past 19 months working with the Petty Geophysical in oil exploration work.

Warren Nobles, son of Mrs. Vera Nobles of Hamlin, received his degree in business administration Monday at Texas Tech College in Lubbock.

Mary Boyd, teacher in the to spend her vacation with her Fort Stockton school, is here parents, Mr. and Mrs. W. L. Boyd.

Mrs. Charlie Tupper of El Paso is here visiting her mother and sister, Mrs. Eunice Thompson and Ruby.

A big new brick building is going up at the Hamlin Cotton Oil Mill.

## A well of water...

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke. Won't you come to this meeting place next Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for men and of His demand for men to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — State Democratic party leaders here have completed advanced preparation for a June 16 Texas party convention which could turn into a donnybrook or go off smooth as silk.

Action will take place at Houston's big coliseum and the swank Shamrock Hilton Hotel, convention headquarters.

Delegates and alternate delegates who will cast the 2,834 authorized votes (some counties are sending up to 15 times their authorized strength) will be quartered in 27 hotels scattered all over Houston.

Big job is selecting delegates to the August national presidential nominating convention in Atlantic City and picking Texas national Democratic committee representatives.

Big argument is whether the convention will go on record as favoring the as-yet-unwritten national Democratic platform.

Gov. John Connally, who claims a two-thirds to three-fourths margin of control, prefers that delegates remain silent on the liberal national program. He wants to write his own state party platform at the September state convention along moderate-to-conservative lines.

Sen. Ralph Yarborough and State AFL-CIO President Hank

Brown argue the convention not only should pledge its support to President Johnson (there is no argument about that) but to his liberal program as well.

Some 26 per cent of the convention's seats are in contest.

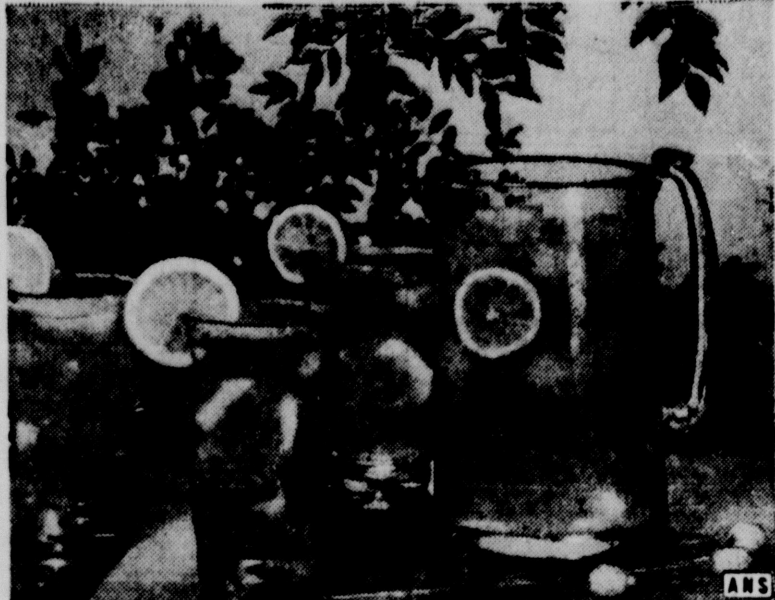

Austin Attorney Will D. Davis, chairman of a State Democratic Executive Committee sub-panel on credentials, has instructed heads of 14 rival delegations from seven counties to send him advance written briefs on their positions.

Hearings will begin Monday (June 15) at 9 a.m. in the Shamrock. Recommendations of Davis' group will be passed along to the full SDEC, which will decide in an 8:30 a.m. Tuesday (June 16) session which delegates will be seated. The convention opens at 10 a.m.

Rival fund-raising events are scheduled Monday (June 15). The pro-Connally SDEC will stage a \$10-a-plate dinner to finance the convention. Yarborough's Gulf Coast friends have scheduled an appreciation dinner for the senior senator at the same time.

If President Johnson has preference about how things should go, he apparently kept silent on them during his recent trip to Texas. Aides maintained to the end of the visit

## Calorie Countdown Drinks

LOW-CALORIE BEVERAGES, so popular these days, can now be made with a mix. Called pre-sweetened sugar-free Twist Lemonade Mix, the contents of an envelope make one quart of lemonade when mixed with water and ice cubes.

For those who have no quarrel with calories, there is a twin-type of lemonade mix which is also pre-sweetened, but with sugar. Both types contain Vitamin C. Both are ideal for making lemonade or a variety of quick, inexpensive summer drinks, such as this Sparkling Lemon Fizz:

**SPARKLING LEMON FIZZ**  
1 package Twist Lemonade Mix  
1/3 tray ice cubes  
1 bottle (1 pt. 12 oz.) club soda  
Lemon slices

Empty lemonade mix into a pitcher. Add ice and club soda. Stir until dissolved. Makes about 1 quart. Garnish with lemon slices and frost rims of glasses, if desired.

Low-Calorie Lemon Fizz made with the sugar-free lemonade mix contains only 5 calories per 8-ounce glass.

CONGRESSIONAL REDISTRICTING — Texas Legislative Council study committee has set three hearings to gather firsthand advice from the homefolks on how to form 23 Texas congressional districts of equal population. Dates are July 9, July 10 and July 17.

They will be held in Fort Worth, Dallas and Houston. Others apparently will follow.

Legislators, political party spokesmen and the general public from counties where the meetings will be held and surrounding counties are invited to attend the sessions and give their views on how best to comply with federal court redistricting orders, said Committee Chairman Sen. George Mofett of Chillicothe.

Atty. Gen. Waggoner Carr warned the committee that the 1965 Legislature must solve the congressional redistricting question.

Carr said, "The more you base it on any other considerations, the greater risk you run of having to go through the same thing again in the courts."

LOAN REGULATIONS ADOPTED — Small loan company advertising of such terms as "lowest costs," "quickest service" and "easy payments" is "misleading" under new state regulations. All advertising claims by lenders are subject to the test of absolute accuracy.

Regulations were adopted after public hearings here and go into effect on July 1. Regulatory Loan Commissioner Frank A. Miskell has announced.

Miskell lists other regulations as: No strong arm collection practices permitted. Companies must keep detailed records. Borrowers must be furnished showing all charges on loans. Copies of insurance policies purchased in connection with Money collected in premiums must be turned over to the insurance companies promptly.

COURTS SPEAK — State Supreme Court in a Sweetwater case said cities, by ordinance, can establish compulsory retirement ages for policemen.

The high court also: Held on oil field truckers don't have to haul pipe at lower rates set by the Railroad Commission in 1962 until a court attack on the rates finally is settled.

Set arguments for July 8 on Dallas County Flood Control District's suit to keep the city of Irving from annexing district lands and on appeal of Dr. Daniel William Scott Jr. of Houston from revocation of his license by State Board of Medical Examiners order.

Court of Criminal Appeals was urged to reverse the murder conviction and death sentence of Carl Junior Hackathorn, 19, for slaying Mrs. Bobbie Jewel Nuttycombe, 18, of Dallas.

That court also was called on to order a \$100,000 bond reduced to \$10,000 on Samuel Spivey, another 19-year-old, charged with robbery by firearms in a bizarre Houston robbery-torture case.

The attorney general's office asked federal court to dismiss state appeal of an interstate commerce commission order permitting higher passenger train fares in Texas.

STATE SCHOOL SITE — The big question of location of a newly approved West Texas State School for the mentally retarded will not be settled until September, according to most recent reports from the Board of State Hospitals and Special Schools.

Board's site selection committee, made up of C. E. Bentley of Abilene, former Lt. Gov. Walter Woodul of Austin and Jesse M. Osborn of Muleshoe, has been visiting some 30 West Texas towns which are competing for the school.

BIG SHOPPER — The idea of a \$6,900,000 grocery bill would be enough to cause the average housewife (or her husband) to swoon, but that was the size of the State's grocery bill for fiscal 1963. When the overall item is digested, it points to thrifty shopping.

The \$6,900,000 fed some 40,000 inmates of state eleemosynary institutions, such as state hospitals, special schools, medical schools and correctional institutions, such as hospitals. Cost of feeding each person under state care is about \$173.68 per person, and that shopping triumph should be enough to make the housewife groan with envy.

State Board of Control, "Housekeeper for the State", and its purchasers have mastered the technique of conquering spoilage and waste problems to the point that it is looked on as a model by all the other states, Canada and Puerto Rico.

Purchasing Chief Sam G. Cook believes that inmates of Texas institutions are probably the best cared for and best fed of any in the country. He says it is because the state purchasing law lends equal importance to acceptance of the "lowest" and "best" bid from food wholesalers.

AIRPORT AID SOUGHT — Texas Aeronautics Commission is seeking \$4,000,000 in state aid to help build local airports during the next two years.

At budget hearings here Commission spokesmen and representatives of towns over the state argue for a program to insure at least one airport in all 254 counties. Thirty-five now have none.

Commission requests a \$1,100,000 budget for the next biennium, including the airport program and \$200,700 for an agency headquarters building at the Austin Municipal Airport. All funds except the building cost would come from aircraft fuel taxes.

AG DECISIONS — Attorney General Carr has:

Ruled that a county clerk should not accept for recording in the Deed Record a certified copy from another court of record where the seal of the court has not been affixed thereto.

Held state highway funds cannot be used to finance a Texas travel exhibit at sports and vacation shows under either the state constitution or current laws.

Concluded that the party whose candidate for governor received the most votes in the 1962 general election will have

first spot on the general election ballot this year.

HIGHWAY IMPROVEMENT PLAN — State Highway Commission authorized a \$166,000,000 improvement program to get more safety and less congestion on 2,067 miles of primary and state highways.

Of the most authorized, \$151,000,000 is earmarked for construction, and \$15,000,000 for right-of-way. About 65 per cent of the cost is expected to come from state gasoline tax revenue and license fees and the rest from federal grants in aid.

SHORT SNORTS — Highway Commission authorized \$180,700 for construction to enhance recreation resources at Dam B State Park, Eisenhower State Park and Lake Whitney State Park. . . . Land Commissioner Jerry Sadler reports that lease of 40,632 acres of state-owned land brought \$1,730,000 to the University of Texas permanent fund with big tract leased in Andrews, Martin and Reagan counties and highest bid on a single parcel in Ward County. . . . Latest reports from State Treasurer Jesse James shows a drop in cigarette taxes from \$8,331,687 for

May, 1963 to \$7,299,642 for May, 1964. . . . Texas unemployment dropped to 147,000 in April, lowest since October, 1959, reports Texas Employment Commission. . . . In order to protect the legions of undersized brown shrimp being driven from the bays by sudden cool weather and local heavy rains, the Parks and Wildlife Commission issued an emergency order, resetting the 45-day closed Gulf shrimp season for the period June 5 through July 19, inclusive. . . . Oil operators in Andrews and Martin counties will be banned by Texas Water Pollution Control Board order from use of unlined surface pits to dispose of salt water but can file exceptions. . . . Biologists for the Parks and Wildlife Department are urging increased harvest of deer (especially does) during the 1964 hunting season in the mid-coastal area because three years of drought seriously have reduced the range-carrying capacity and caused death by starvation among deer herds.

**WEIRD COIFFURE GETS INSPECTED** — A Six Flags Spee-lunker musician gets an inspection of its weird coiffure by glamorous Donna Douglas (better known as television's Elly May Clampett) during a premier showing of the newest Six Flags ride... the Spee-lunker Cave. The Spee-lunkers have already taken over the operation of the Park's newest creation, which was coincident with Six Flags' beginning of its daily operation on June 1.

## 'SPEE-LUNKERS CAVE' NEWEST SIX FLAGS ATTRACTION

Six Flags Over Texas newest project, "The Spee-lunkers Cave" will be open to visitors on June 1, the day the Park officially commences its summer daily operation schedule.

Costing \$300,000 the unique creation is the brainchild of Six Flags art director Randall Duell. Construction of the 600 foot man-made cave has been underway for eight months and some 60 engineers, artists, electricians and special effects technicians will wind up their efforts next week.

The Cave has been termed "a marvel of man's imagination, engineering and animation" by newsmen who inspected the three-quarter finished project last week. Miss Donna Douglas, star of the Beverly Hillsbillies TV show was also present for the tour and saw first hand the strange 30-inch high animated Spee-lunkers who inhabit the cave.

"Visitors will journey through the Cave," explained Dr. Duell, "aboard round Indian Bull boats. Inside the Cave it's completely dark save for the special fluorescent lights

and paint which bring about a fascinating display of the secrets to be witnessed by the visiting 'explorers.' The boats are propelled 3 1/2 feet per second by the force of the water through the use of two centrifugal pumps which are rated at 1800 gallons per minute.

"A colony of 28 Spee-lunkers operate the Cave and being most talented little people, they are able to play instruments, do the 'Twist', make rock candy from cave crystals, play cards, engage in turtle racing and absorb nourishment from cave air by osmosis through their oversize ears.

"Also inhabiting the cave are huge lobsters, flying bats, trees that dance the 'Twist' and a broken hull of a sunken ship whose crew still carries on some of the skylarking activities that most sailors engage in at one time or another.

"The ride culminates in a terrific storm at sea in the cave where the wind hits 35 knots per hour and the water is turned into a froth. Lightning flashes across the Cave and visitors are subjected to all the feelings and anxieties of a storm at sea."

The entire project was built on the premises at Six Flags and the extraordinary talents of man in creating fantasy are brought into full focus by the Spee-lunkers Cave.

### Hints on Tulips and Hyacinths Given By County Agent

How were you tulips and hyacinths this year?

If you did not get as many as large blooms as usual, they probably need replacing says Mrs. B. V. Newberry, Jones County Home Demonstration Agent.

Poisonous gas issuing forth when these ingredients are mixed to gether could kill you, or your wife, or child!

Ingredients which may be in your cupboards that can produce death-dealing gases include chlorine bleach when mixed with vinegar, ammonia, lye, or toilet bowl and other types of cleaners containing these substances. Toxic chlorine gas is released when chlorine bleach is mixed with the substances found in toilet bowl cleaners or with vinegar.

When chlorine bleach solutions are mixed with ammonia or lye, another kind of irritating gas is liberated which also can cause serious injury or death.

Deaths have occurred when these gases have been "manufactured" by housewives in their homes. To protect yourself and your family, learn and teach you family these rules:

Never mix bleaches agents or solutions with toilet bowl cleaners, with ammonia, with lye, with rust remover, with vinegar, or with oven cleaner.

To sum it up, never mix bleaching agents with any other cleaning components.

### Mrs. Joe League Gives Alathean Class Program

Mrs. Joe League presented a program on "Flower Arrangements" with a talk on how to make good arrangements, whether for the home or formal affairs and illustrated several different arrangements made up, as examples, when the Alathean Sunday School Class of the First Baptist Church met Wednesday at 9:30 a.m. in her home, for the monthly, business and social meeting.

Mrs. Tate May and Mrs. Wilson Brannon were co-hostesses. Mrs. May, teacher, also presided at the business session in the absence of Mrs. Revis Robertson, president. "Get Well" cards were signed by those present and taken to two of the class members who are in the local hospital, Mrs. Charles Lovell and Mrs. Garland Preston.

No "Birthday Gifts" were presented since there was no members having a birthday during the month of June.

Refreshments of nut roll, coffee or cake, were served.

Others present were: Mmes. George Pruitt, J. E. McCoy and J. D. Kitchen.

The next meeting will be announced later.

### Fredda Cox and Weldon Cook Married Here Sat.

Fredda Jan Cox and Weldon Dwight Cook both of Abilene exchanged double ring wedding vows Saturday afternoon in Hamlin in the home of the bride's grandfather, the Rev. S. J. King, retired Nazarene minister, with the Rev. King officiating.

The bride is the daughter of Mr. and Mrs. S. S. King, Abilene, Mr. and Mrs. Enoch Cook of Rt. 2, Gorman, are the parents of the bridegroom.

Attending the bride were Karen Burink and Charlotte Bowles, both of Abilene. Jerry Cook of Gorman, brother of the bridegroom, was best man.

The bride, a 1961 graduate of Abilene High School, will attend Glenn and Lott's School of Beauty.

Cook was graduated from Carhon High School in 1962 and is employed by Mack Egan's Restaurant.

### July 4th Specials To Please

DECORATE FUDGE to make "flags" in celebration of the Glorious Fourth. Make chocolate crinkle cups by melting 6 squares semi-sweet chocolate with 2 tablespoons butter; stir. Using a teaspoon, swirl the chocolate all around the inside of 10 large paper baking cups. Place in muffin pans. Chill. To make the decorations melt 1-1/2 squares semi-sweet chocolate; stir and cool to about 85°, then dip small end of 10 pineapple wedges into chocolate. Let stand on wax paper until firm. Insert wooden pick through candied cherry and into plain end of pineapple. Ten minutes before serving, fill cups with scoops of ice cream. Place in freezer ten minutes. Peel off paper. Top ice cream with fruit-picks.

#### CHOCOLATE CREME FUDGE

8 squares (1 package) Baker's Semi-Sweet Chocolate  
1/4 cup butter or margarine  
1/2 teaspoon vanilla  
2/3 cup chopped walnuts  
1-1/2 cups sugar  
1/2 cup evaporated milk  
1/4 cup marshmallow cream

Break the chocolate squares in half. Place in a bowl with nuts, marshmallow cream, butter, and vanilla.

Combine sugar and evaporated milk in saucepan. Bring to a boil over low heat, stirring occasionally. Continue boiling, without stirring, until a small amount of mixture will form a very soft ball in cold water (or to a temperature of 232°). Immediately pour over ingredients in bowl. Stir until chocolate is melted and all ingredients are evenly mixed. Pour into buttered 8-inch square pan. Cool until set, then cut into pieces or rectangles. Makes about 1-3/4 pounds.

Note: Fudge should be stored in the refrigerator.

## LIVESTOCKMEN ADVISED TO BREED RIND FAT INTO MEAT

COLLEGE STATION — Cattle breeders and feeders should take a look at the possibilities of breeding some of the rind fat into meat, advises Frank A. Orts, Extension meats specialist at Texas A&M University.

The specialist says there are several factors which affect the "cutability" or yield of edible meat from beef carcasses. However, main factors are fatness and muscling as indicated by ribeye area. Fatness or degree of finish has most influence on percent of steaks and roasts in a beef carcass. Animals with a thin rind of fat yield much higher cutout than those with thicker fat coverings.

A good measure of fatness of a beef carcass is the fat covering over the ribeye muscle. For each one-tenth inch increase in the fat covering, there is a reduction of one and one-half percent in the amount of red meat in a beef carcass.

Though the amount of fat covering over the ribeye has a tremendous effect on cutout, extremely trim cattle will usually be deficient or devoid of marbling which, at the present time, is one of the best indicators of eating quality we have at our disposal.

Eating quality is a factor which one should not forget when assessing the carcass merit of a particular steer or carcass. It is felt that even though the amount of fat covering and marbling is low, it is significant because as marbling increases, tenderness and overall satisfaction with a steak from that carcass also increases.

Although much attention has been given to "cutability" in the past few years, much more still needs to be done. Progeny testing of sires or rate of gain and carcass desirability of offspring is recommended by the Extension specialist.

Breeders and feeders should avail themselves of every opportunity to obtain carcass merit ratings on their cattle. However, they should be hesitant about drawing conclusions about a sire if carcass data are available on less than five progeny.

Data such as this can be obtained for a nominal fee by anyone for any cattle by contacting the USDA meat grading personnel in your locale and requesting the service. The Extension meats specialist will also be happy to assist anyone who is planning to enter such an endeavor. Contact Frank A. Orts, Texas Agricultural Extension Service, College Station, Texas, or your county agricultural agent.

#### Protecting Rod Handles

To prevent cork handles on fishing rods from drying out and splitting, coat the cork with glycerine before putting you rods in law-away for any length of time. The liquid easily will wash away and your rod handle will be good as new.

#### Chain As Sinker

A piece of chain of several links makes a practically no-sag singer for rock fishing. Use as many links as are needed for the correct weight.

#### Magnet Hook Holder

A small magnet in your tackle box makes a neat holder for fishing hooks. It prevents them from rattling or spilling and keeps them right handy.

#### Plastic Protector

A 9 x 12 piece of plastic makes a vital contribution to

your camping gear. It can be used as a lean-to shelter, put underneath sleeping bags, or used to cover food left on the table.

#### Keep Worms Alive

Worms can be kept crawling and lively until it's time to put them to work if you keep them in a container filled with peat moss instead of dirt.

... with vigorous physical activity for at least 15 minutes every day. That's all it will take to get and keep our children in shape. Right now, one third of them are unable to pass minimum physical achievement tests.

That's because most physical activity programs in our schools concentrate on the 10% or so of our youngsters interested in varsity sports. The other 90%—those most in need of physical conditioning—rarely get the body-building activities they need.

Our schools can help by offering a planned, vigorous physical education program. Talk to your local school officials about it. And, for a free booklet to help you evaluate the youth fitness of your school, write the President's Council on Physical Fitness, Washington 25, D.C.

## \$552,000 FOR HIGHWAY WORK APPROVED FOR JONES COUNTY

The Texas Highway Commission today approved the expenditure of \$552,000 for highway construction in Jones County during 1965-66, announced District Highway Engineer J. C. Roberts of Abilene.

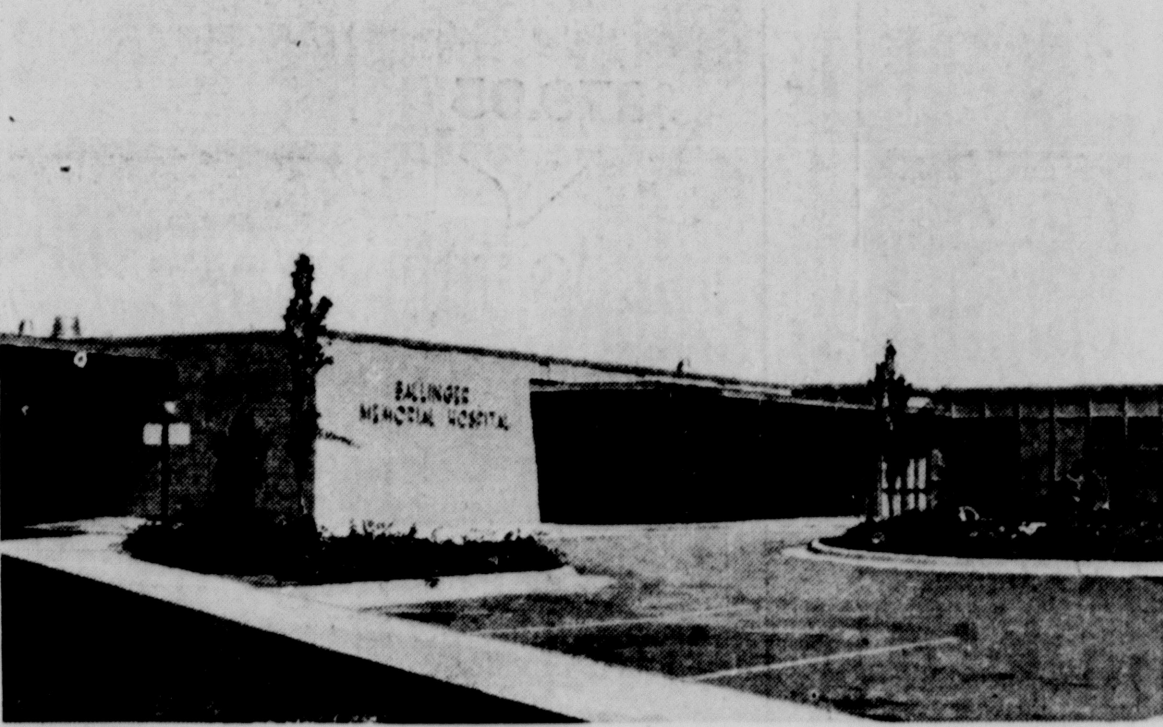

He said a total of 15.3 highway miles in the county will be involved. The work will be under the supervision of W. F. Dixon, Resident Engineer, Anson.

This work is part of the 1965-66 Consolidated Highway Program. More safety and less congestion for 2,067 miles of Texas highways was the objective of the \$166 million improvement program just authorized by the Texas Highway Commission.

The biennial Consolidated Highway Program is aimed at correcting traffic problems on parts of the Primary Highway System of U. S. and State-numbered highways in Texas.

The Highway Commission called the 2-year program "vital to our keeping pace with a traffic explosion that is increasing five per cent a year." In view of the diffusion of Texas' 22 metropolitan areas—more than any state—"these city-connecting highways must continue to be systematically upgraded for the good of the citizenry they serve, as well as the safety and convenience of the through traveler," the commission said.

## PATTERNS FOR PROGRESS

## What makes a community grow?

Our recent PATTERNS FOR PROGRESS ads have summarized basic economic development factors. The series continues as we advance to community development, which is made possible by sound economic development.

The West Texas community of Ballinger is a shining example. With organization, teamwork and sound planning, Ballinger has developed a \$400,000 Memorial Hospital (pictured above) ... 17 new commercial buildings ... modernization of 16 others ... 21 new businesses ... a new community center ... major park improvements ... a frontier museum ... and the adoption of a new city charter.

Ballinger is an outstanding PATTERN FOR PROGRESS.

When such a community spirit seeks new industry, even more growth comes. National studies show payrolls from 100 basic new jobs increase local personal income by \$660,000 ... bank deposits by \$229,000 ... annual retail sales by \$331,000 ... add three new retail outlets ... increase population by 359 including 91 school children ... add 100 new homes ... 97 more car registrations ... and create 65 new non-manufacturing jobs.

WTU's area representatives will assist growth-conscious communities in planning for community development programs and activities. This service is available on request through your WTU local manager.

## Jones County 4-H Dress Review Set June 23 in Anson

The Jones County 4-H Club Dress Review will be held on June 23 at 2:30 p.m. at the Anson Lions Club Hall, reports Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

There will be three Junior divisions for the 9 and 10 year old, the 11 and 12 year old, and the 13 year old. The Senior division will be the girls who were 14 years old by January 1, 1964 and older.

All Jones County 4-H Club girls are urged to enter a dress, skirt, blouse or an apron. There are entry prizes for all participating. The 13 year old county winner will model her dress in the District III Dress Review at Vernon to be held on August 7. The Senior winner will enter her dress in the District Dress Review in competition with the other counties of District III.

## Jehovah's Witnesses To Wichita Falls

The Stamford Congregation of Jehovah's Witnesses is canceling all local meetings to attend a circuit assembly in Wichita Falls, June 12-14.

The 16 congregations will meet to discuss their ministry and to offer remedies for existing weaknesses in order to stay abreast with the world wide work of Jehovah's Witnesses.

The semi-annual circuit assembly will be held in the Barwise Junior High School. The group is expecting 500 delegates from the circuit, reacting from Wichita Falls to Fredericksburg and Abilene to Mineral Wells.

The three-day program includes a variety of Bible talks, discussions on ministerial problems and demonstrations on the technique of the ministry.

Wallace Wright of Haskell, overseer of the Stamford Congregation, which includes Hamlin, said.

Barbara Cheshier of Fort Worth is home visiting her mother and sister, Mrs. Ione Cheshier and Crystal Barry is home on leave from the Navy before being sent to Siberia for duty.

Justin David Rowland is home from teaching in Stratford, Texas. He is the son of Mr. and Mrs. Brad Rowland Sr. Call your news to 4-1606.

## OLD GLORY ...

4-H  
4-H's from Old Glory who attended the 4-H Round-up at A & M University in College Station last week were:

Marvin and Nancy Vahlenkamp, Farm and Ranch Management Team. They placed 13th in state competition.

Charles and Stanley Diers, Mike Baldree and Judy White, Poultry Judging Team. This team placed 5th in their division.

Adult leaders from here who accompanied the 4-Hers were Mrs. Herbert Vahlenkamp and Mrs. Bernice D. White.

Three girls from Old Glory will represent the Stonewall County 4-H Clubs at District Leadership Camp to be held at Lueders on June 15, 16 and 17. They are Carolyn Sander, Reva Letz and Judy White. Mrs. Bernice White, local adult leader, will accompany the group.

Sharon Leverett, another one of the Old Glory 4-H girls will also be at the District Camp as a member of the State 4-H Council.

Old Glory voters were defeated in their choice for County Commissioner Precinct No. 1, in last Saturday's election. They supported Travis Bell, the incumbent, with 129 votes against 29 votes for Cliff Gholson. But Gholson won the election with 269 votes against Bell's 232.

Voters here were also defeated in their vote for the County Unit System. The vote here was 137 votes against the system and 16 votes for it, but the overall county vote was 531 votes for and 489 against.

On the question of employing a government trapper, voters here went along with the rest of the county, casting 37 votes for and 114 votes against the trapper. The county vote was 506 for and 531 against.

Mr. and Mrs. Dalton Gill and Dalton Mitch of Flower Grove visited in the Jerry Johnston home last week end.

Mrs. Pearl Caudle of Whiteface and Mrs. Gerald White and Jerry of Levelland were here recently visiting with Mr. and Mrs. Beno Hertenberger and other friends. They also attended the Sagerton Homecoming.

Guy and Jill Callicotte of Midland spent last week here visiting with their grandparents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Delos Callicotte.

Mr. and Mrs. Charles Goddard, Dale Jean and Donnie were here last Sunday visiting with Mrs. Goddard's mother,

Mrs. Adele Dufensing.  
Mrs. Pauline Fuqua of Stamford was here last weekend visiting in the home of her sister, Mrs. Katie Gerloff and other relatives and friends.

Mrs. Barbara Winkle of Lancaster, Calif. has returned home after a visit here with her mother and sister, Mrs. Kate Hart, Mrs. Carl Hunt and Mr. Hunt. She is a former resident of Old Glory.

Mr. and Mrs. Wesley Tabb and children, Janet and Robert Paul, of Lake Jackson were here recently visiting with her parents, Mr. and Mrs. H. G. Klump and her sister's family, the Allen Letz's. They also visited Mr. Tabb's parents, Mr. and Mrs. C. C. Tabb, at Anson.

Ray Boles and Marshal Pope of Dallas spent Saturday night with the L. B. Boles family. Alton Boles returned to Dallas with them. Alton is a 1964 graduate of Old Glory School and he will be employed at General Motors in Arlington.

### Forage Crops Need Topdressing After Each Harvest

To set maximum yields from high producing forage crops like Coastal Bermuda and hybrid sorghum-Sudan, topdressing after each harvest is a necessity, reports Jones County Agent Kirby Clayton.

Nitrogen is the main element required when topdressing grasses, although some soils may need an application of potash after the second harvest. Clayton said topdressing is needed by crops that are grazed as well as for those cut for hay.

The amount of nitrogen to use for each topdressing varies from 30 to 100 pounds per acre, he said.

"If you were shooting for a five or six ton per acre hay yield when you fertilized this spring, 40 to 50 pounds of nitrogen per acre will be about right," said Clayton.

A soil test is the only source for finding the exact amount to apply, Clayton said. When the testing lab knows what grass crop is being used, they give fertilizer recommendations for managing the crop for the following two years. After the two years, another soil test is needed to determine what fertilizer to use.

The Agent warned that if Coastal is not topdressed and is, instead managed like Bermuda, yields can be expected to be better than with common Bermuda.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

In West Texas it always goes from one extreme to another, last Sunday people were wearing coats, yesterday they were sweltering in one hundred degree weather. High winds have prevailed the last 24 hours, making us hopeful that it will bring rain, which is another thing in West Texas, we always need rain.

Mrs. Woodrow Goodwin is recuperating nicely, in the Hamlin Hospital, from major surgery, which was performed last Tuesday morning.

Mr. and Mrs. E. A. Henry went to Lubbock, Sunday, to visit with his brother who is seriously ill in that city.

Mrs. Billy Holmes, daughter-in-law of Mr. and Mrs. Larry Holmes, had a very lengthy and serious surgery in an Abilene Hospital, last Saturday.

As of Sunday she was reported to be doing as well as could be expected. This made her several major operations in the last few years, and may this one be her last.

Mrs. Fred Rosenbaum visited last Tuesday afternoon with Mrs. Albritton. Mrs. Albritton is the grandmother of Mrs. Joe R. Rosenbaum and has been crippled since a fall some time ago. She and Mrs. W. L. Boyd are living together in Hamlin.

Mr. and Mrs. Roy Taylor, of Muleshoe, spent last Thursday night with the Elmer Joiners.

Rev. and Mrs. Kenneth Levrett, Kimmy and Kristie, visited in Odessa the first of last week, with his relatives. They came back to Abilene, where Mrs. Levrett enrolled at Hardin-Simmons for a three weeks Reading Workshop, starting last Thursday.

last Thursday.

Mr. and Mrs. Jack D. Wright, Melinda and Keenan, spent the weekend in Lubbock, with her cousins, Mr. and Mrs. Bill Clements and girls.

Mr. and Mrs. H. L. Ford are driving a new Plymouth, which they purchased last week.

Mr. and Mrs. Clinton Holmes and children, of Plainview, visited his brother, Mr. and Mrs. Flavii Holmes, last Friday night.

Mr. and Mrs. H. L. Ford and Mr. and Mrs. Fred Rosenbaum visited with Mr. and Mrs. Joe Ford last Thursday night, trying out the Ford's new car.

Thew say when the cat is away the mice will play, and that seemed to be the story last Wednesday night, as the pastor was away, and owing to the farmers being in such a rush and sickness, there was no mid-week services held, maybe we can make up for it this week.

Our church is beginning to think about our summer revival, which will be August 7, through 16. That has been a date of long standing at Fairview, Friday night before the second Sunday in August. At this time it has not been learned who will help in the revival.

### BIRTHS

Mr. and Mrs. Muri Don Smith of 239 West Lake Drive are the parents of a baby girl born June 6. She weighed 6 lbs. 12 oz. and was named Mindy Sue.

Mr. and Mrs. Sammy Lee Williams of Hamlin are the parents of a baby boy born June 7. He weighed 6 lbs. 6 oz. and was named Kelvin Scott.

Mr. and Mrs. Henry Lee and son, Benny, and daughter, Sylvia, have moved from Sweetwater to Hamlin to make their home here.

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

## Merkel Bridge Club Plans Charity Tourney June 14

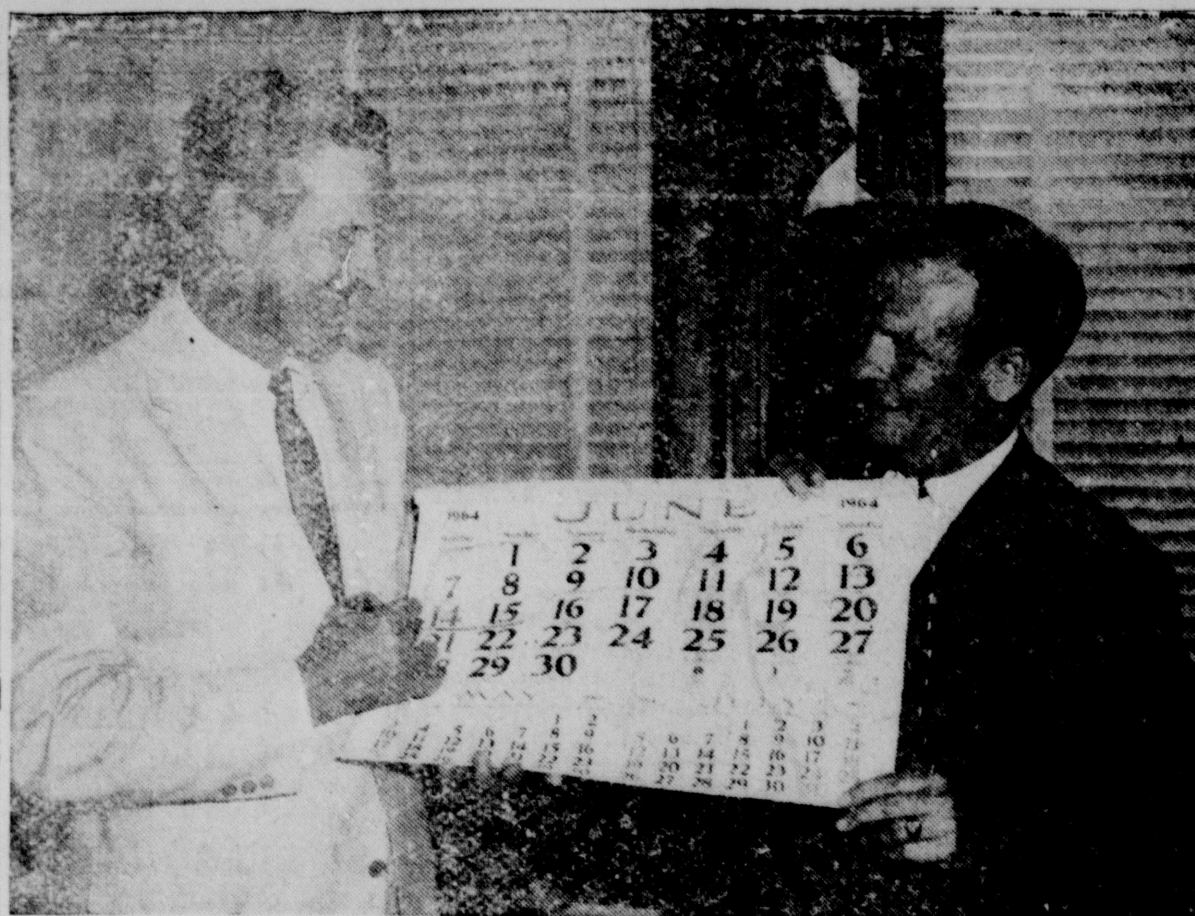

The Merkel Duplicate Bridge Club announced plans this week to sponsor a charity bridge tournament June 14 at the Merkel Country Club.

All proceeds from the tournament will go to the West Texas Rehabilitation Center in Abilene, stated Janice Russell, bridge club reporter.

The tournament will consist of two sessions with the first session beginning at 1:30 p.m. Following the first session will be a buffet dinner.

The second session will begin at 7:30 p.m.

Participants may play in either or both sessions, Mrs. Russell stated. She added that the cost for the entire day will be \$5 and will include both sessions and the buffet dinner.

**TEXAS 65 WEEKS** — Governor John Connally circles the dates June 1 through June 15 as Texas 65 Weeks. Helping hold the calendar is H. Lewis Rietz, president of the Texas 65 Health Insurance Association. During the first two weeks of June, Texans 65 years of age and past, will again have the opportunity to purchase Texas 65 health insurance regardless of age and without the necessity of a physical examination.

## PHILOSOPHER FINDS COMFORT IN LEARNING LADY BIRD'S FARM ONLY MAKES 7c AN ACRE

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes note of a certain famous farmer this week.

Dear editor:

There are some types of news that sort of jump out at you from a newspaper and then continue to stare you in the face throughout the day.

A sample is the news I read in a newspaper yesterday morning before I began my day's work. Some farmers fill up their tractor with oil and gas and then take off, but I always figured I ought to fuel up my

mind too and consequently like to look over the newspaper before starting out so my brain will have something to operate on also. Sometimes you don't find much, but then sometimes it doesn't take much for a brain to run on. If you will adapt your brain to whatever newspaper is handy, you'll find you can get by on very little, and while I'm not naming any newspapers, frequently it's a necessity.

According to this item, Mrs. Lyndon Johnson, the President's wife made only \$284 profit on a 4000-acre farm in Alabama last year.

I thought about this all day and came to some conclusions.

In the first place, this proves the folly of keeping books on a farming operation. It's a lot better to wind up a year knowing you didn't do so well than to know you made only 7 cents an acre, which is what Mrs. Johnson's farm made. At that figure, a man would need 50,000 acres to clear only \$3,500 a year, and there's not that much land to go around on earth, even if you count the floor of the ocean. Mrs. John-

son she's saving this land for her children, but you reckon that's a favor to them?

I know this is unscientific, but I don't care to know in black and white how much per acre this Johnson grass farm is making.

At any rate, it's good to know that Mrs. Johnson and me are farming along the same lines and it's a comfort to know that we've got a president whose wife can tell him us farmers aren't coining money.

Yours sincerely,  
J. A.

## E. M. CONNELL RETIRING AS COUNTY SCHOOL SUPERVISOR

E. M. Connell, Jones County supervisor for the past 14 years, will retire at the end of this month. He has been employed by the County Board of School Trustees under Cooperative Agreement out of the County superintendent's office as supervisor of instruction six Jones County Schools: Anson, Avoca, Hamlin, Hawley, Lueders and Noodle-Horn.

Larry E. Dooley, head of the vocational agriculture department in the Anson Public Schools for the past 17 years, has been employed by the trustees to succeed Mr. Connell. He will assume his new duties Sept 1.

Mr. Connell has been in school work for more than 40 years. He was superintendent of the Anson Independent School District for 24 years immediately preceding his employment as supervisor. He received his education at North Texas State Teachers College and the University of Texas.

He plans to continue to live in Anson where he is active in the community in church and Boy Scout work. He plans also to find time for hobbies which include golf and yard work.

Mr. Dooley, who received his bachelor of science and master of education degree from A&M in 1944 and 1948, respectively, will complete a course this summer at Abilene Christian College, Abilene, which was started about two years ago in supervision, counseling and guidance. He will receive a certificate covering these areas upon completion of the summer session.

The supervisory program was one of two programs supplied from the office of County Superintendent Everett Beaver. The other is a school health program in Anson, Avoca, Hawley, Lueders and Noodle-Horn. Hamlin operates its own school health program. Stamford does not participate in either of the

programs because their system is large enough to have its own supervisory and health programs.

## 3 Stamford Youths Receive Five Year Penitentiary Terms

Three Stamford youths who pleaded guilty May 26 in 104th District Court on a charge of robbery by assault drew five-year terms in the penitentiary. Judge Owen Thomas sentenced

ed the young men Friday, giving each credit for the time spent in Jones County jail.

Seledonio Ramones Delgado and Jesses Cedillo each received credit for 205 days, while Raymond Gallardo's credit was 25 days.

Gallardo was a minor at the time the offense occurred in Stamford and he was not committed to jail until he became 17.

Six youngsters were arrested as the result of the beating and eventual death of a migrant cotton picker near the Farmers Coop gin the night of Nov. 10 last year. One was released

for lack of evidence, one is still a juvenile, one has been tried and found guilty of murder.

Ramon Cedillo was given two years in the penitentiary on the murder count. He is free on bond pending appeal. He also faces the robbery with assault charge.

## Pick a Chevrolet and fill in the spaces

Now's the time to see the great outdoors in a great Chevrolet buy!

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

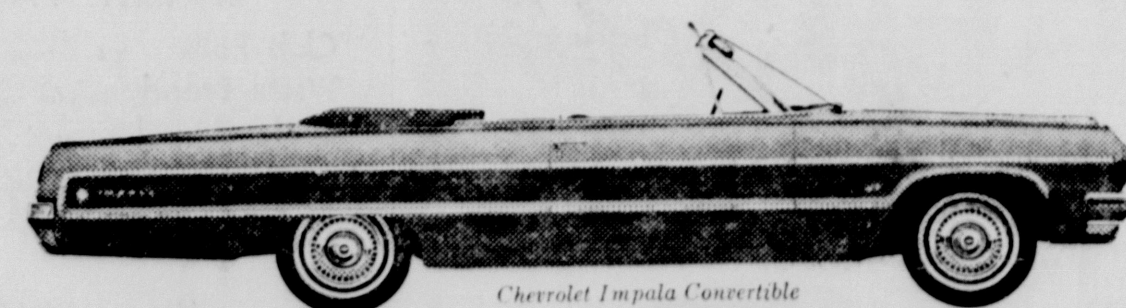

Take the Impala Super Sport (and a lot of people do just that). Comes as a Sport Coupe or Convertible. Has trimmings like front bucket seats, center console, special trim—all as standard equipment. And offers a

typically Chevrolet array of extra-cost options.

Plain Impalas are anything but. They come in all popular body styles, including wagons. They're dressed up to a fare-thee-well: fully carpeted interiors, upholstery as durable as it is attractive.

Bel Airs and Biscaynes, the lower priced Chevrolets, make a practice of hiding it. All the conveniences, no sacrificing comfort or style.

Did we mention that Trade 'N' Travel Time won't last forever? It won't. So see your Chevrolet dealer. Then go fill in the spaces.

## 'FISH DAY' SET FOR MONDAY AT HAMLIN SWIMMING POOL

The Hamlin Foundation Swimming Pool has become a very popular place since opening Friday. A check with operator Dan Truelove revealed that there had been a crowd of swimmers every day since the opening. The pool is open daily from 1 to 6 p.m. and closed on Wednesdays.

Truelove announced Tuesday mornings from 9 to 11 as Women's Day, and Thursday at 6 p.m. for Men's Day.

A special attraction for the swimmers and spectators as well will be Fish Day, Monday, June 15, five fish will be turned loose in the pool. Five weekly passes will be given to each swimmer catching a fish. Three fish will be freed in the shallow water and two will be placed in the deep end.

Swimming lessons will be set up for beginners, intermediates and advanced swimmers. If enough sign up to warrant a class. All interested in taking lessons should call SP 4-1271.

## County Court Pays All But \$10,000 of Tax Valuation Fee

Jones County Commissioners Court Monday authorized payment of all but \$10,000 of the \$45,921 fee for the tax valuation survey now being conducted by McMorris and Co. of Amarillo. The \$10,000 will be withheld until all hearings have been held and the new tax values become effective.

The court had previously paid about 60 per cent of the total price as work progressed. McMorris and Co. will pay Jones County \$1500 to cover rent on space occupied in the courthouse during the survey.

Commissioners learned that all field work will be completed this week and that everything will be in readiness for the equalization board meeting later this month.

Judge Leon Thurman read a letter from Mrs. Z. Lindsey Encke, coordinator of Jones County Vocational School, expressing thanks for cooperation of the court with the school.

"The school has been a successful operation in which you have had a vital part; not only has it helped the veterans of two wars to rehabilitate and prepare for a better position in society but it brought a monetary gain into Jones County over the years. These benefits for the veteran and Jones County were made possible by your court," the letter said.

The court also approved a bid of \$1,016.94 to WTC for moving utilities lines on Highway 177 between Stamford and Anson, work made necessary by improvement of the highway.

Mr. and Mrs. Dan Neithercutt moved to Amarillo Saturday. Mr. Neithercutt is employed by Santa Fe Railroad.

## Police Department Offering Vacation House Check

With vacation time here the Hamlin Police Department reminds residents of a service of the department to help watch their property while they are out of town. Frank Chapman, police chief, said this week that residents leaving town may call the Police Department in order for a security house check form to be filled out.

With this service a member of the department will check the residence periodically while the occupant is out of town.

by Saturday, June 13, or register at the pool.

Swimming tickets are on sale now which offer the buyers a 20% saving over regular admission prices. The ticket is good for \$5 worth of swimming and costs \$4. The Boy Scouts will begin selling the tickets Monday.

## FIRE DEPARTMENT STARTS FUND FOR BILL HARRISON

A fund to aid the Bill Harrison family has been started by members of the Hamlin Volunteer Fire Department. Mr. Harrison, a longtime member of the department before going to Abilene several weeks ago to become manager of the White's Auto Store.

Mr. Harrison, hospitalized in the West Texas Hospital in Lubbock, was seriously injured in an automobile-train wreck in Abilene May 30. Their 12-year old son, Phil, was fatally injured.

According to ward received here Monday morning, he was continuing to improve.

Money to be included in the fund may be given any member of the Fire Department or deposited with the Farmers and Merchants National Bank.

## Hamlin Rebels Will Open Season Here Tuesday Night

The women's softball team, Hamlin Rebels, will start their season play Tuesday night, June 16, at the City Park against the Abilene team. Game time will be 7:45.

The Rebels won the Roscoe Women's League last year and won two other trophies, including first place in their own tournament.

The team would like to thank all the people who helped them have a successful season last year. Especially Bill Adair, who cooperated so nicely with them in the use and care of the park. The Rebels promise to have a good team this year and hope all will come out and watch them play.

The players are: Zoon Winegeart, catcher; Mrs. Paul Cooper, pitcher; Mrs. J. O. Murphy, first base; Mrs. Coy Pritchard, second base; Kay Hodnett, third base; Mrs. Roy Thompson, short stop; Mrs. Clyde Brown, left field; Mrs. Jerry Pritchard, center field; Carolyn Henderson, right field; Margie Ford, Lettie Allen and Teresa Gabriel are the utility players.

The Rebels are managed by Jerry Pritchard. The following merchants helped the team buy their uniforms: Mid-West Oil Mill, Hastings Texaco Service Station, Pritchard & Sons, Bill's Superette, Howard Food Market, A. E. Killian Trucks and Carter's Dairy Cream.

## Albrittons Win Bridge Contest

Mr. and Mrs. Henry Albritton were first in the Hamlin Duplicate Bridge Tournament Thursday night at the Oil Mill Guest House. Mr. and Mrs. Starr Inzer were second and Mr. and Mrs. C. P. Yates of Stamford were third.

Their next meeting will be next Tuesday at 7:00 p.m.

Mr. and Mrs. Leslie Cowan and children of Justin, Texas spent the week end visiting Leslie's mother, Mrs. L. L. Cowan.

## PERFORMANCES START AT 7:30 NIGHTLY THROUGH SAT.

The sixth annual rodeo sponsored by the Hamlin Riding Club will get underway here Thursday with a downtown parade at 4 p.m. The Hamlin High School band will lead the parade. Mary Lois Patterson, drum major, Donna Compton, Jane Ferguson, Lynn Brannon and Glenda Hudspeth, band twirlers, will lead the band. The band will be dressed in blue jeans and white shirts.

Posse groups from Cross Plains, Aspermont, Fisher County and Merkel have indicated they will be here for the parade and the opening night performance.

The parade route as announced by parade bosses Elmer Brewer and Mrs. John Johnson is as follows: originate at City Park, travel east on South-west Fifth Street to South Central, turn north and continue to Simpson's Grocery on North Central, turn west one block, south to West Lake Drive, east to South Central, south on South Central to Southwest Fifth Street and back to the Park to disband.

Out-of-town riding groups will be guests of the local club at a bar-b-que dinner in the high school cafeteria at 5:30 p.m. Others planning to attend the dinner may purchase tickets from Paul Cooper, John Kitchens or Reynolds Drug.

Two new events have been added for the three-day rodeo this year. A calf scramble for youngsters six years of age and under. Belt buckles will be awarded to the first place winner each evening.

A queen contest for girls 13 years of age and older is another newcomer to the schedule of events. The girls will be sponsored by local businesses. They will be presented at all performances and the winner will be announced at the final performance Saturday night.

The girls were honored Wednesday with a morning party in the home of Mrs. E. N. Jenkins. Each contestant was presented a bracelet charm.

The contestants and their sponsors are as follows: Pat Perrin, John's Boot and Saddle Repair; Kay Hodnett, Brown's Welding; Sharon Hawkins, Hawkins Polled Herefords; Sheree Nail, Turner-Nail Insurance; Debra Blanton, Bishop's Flowers; Judy Jenkins, Bryant Insurance; Jamie Carol Turner, Hamlin Rotary Club; Anna Cheryl Adams, Foster Funeral Home.

The prizes in the Queen's Contest will be given by the following: first place, buckle from Hamlin Riding Club, \$15 gift certificate, Luskey's; portrait by Tim Jones; bouquet, Bishop's Flowers; second place, \$15 gift certificate, Heidenheimer's; \$10 gift certificate, McDonald's, \$5 gift certificate, Reynolds Drug.

In the barrel race event the following prizes have donated: average, buckle, Pied Piper Mills; first, each night, shampoo and set, Brenda's Beauty Shop; second, gift certificate, Oliver Oil Co.; third, gift certificate Howard Drug; hard luck barrel racer, gift certificate, John's Boot and Saddle Repair.

Flag racing prizes include first, buckle, Frank's Department Store; second, leather ties, John's Boot and Saddle Repair; third, \$1.

The first place winner in the goat sacking event will receive a buckle from Frank's.

Parade trophies for the top three riding clubs are being donated by Joe Hudspeth's and Piggly Wiggly.

These will be presented following the grand entry tonight.

The rodeo is being produced by Sand Hill Rodeo Company of Welch under the direction of Red Whitley.

Other events will include bareback riding, calf roping, 45-year old roping, team tying, and bull riding.

A booster group made up of nine cars went to Rotan, Roby, Merkel, Abilene, Stamford and Aspermont to advertise the rodeo.

Johnny Stovall registered in Southern Methodist University in Dallas for the summer session.

## THE MINISTER SPEAKS— THE INTEGRATED LIFE

pastor, Church of the Nazarene. Thousands of people have found an integrated life in God. Right now you may hear a thousand voices calling you to get you to look in as many directions, but the voice of wisdom speaks from the ages past, saying, "The fear of God is the beginning of knowledge." This voice still comes from the church today.

To illustrate what I mean I will use our solar system as an example. Nine planets revolve around the sun as their center. Regulation with the sun has regulated them with one another. In that same sense, if one will make God the center around which his life revolves, he can have an integrated life. He cannot change all the world around him, but his relationship with God will change him until it seems that others have changed. Then as others make God the center of their lives, frictions and collisions will be diminished. But the greatest insecurity and unity will bring peace to any troubled mind. You may have a struggle within, "Fighting without and fears

within." One of the greatest fears of man is what others think about him. Such fears have been a factor in people becoming introverts. There may be a light going on in your heart. You, like Pilot, may be having a struggle-pressure being brought to bear from all sides. But that pressure need not frustrate you if you make God the center of your life.

I went into a jewelry store and inquired of the correct time. The jeweler said, "You cannot rely on these watches and clocks on the counter to give you the correct time, but the one on the wall is wired up with Western Union, it has an automatic adjustment that re-adjusts it every hour." My mind immediately turned to spiritual things and I saw in my imagination hundreds of people wired up with God who keeps their lives adjusted with him. The ones in the showcase only have their own adjustments and cannot be relied on. People need a power outside of their own and greater than their own. They find that in God.

## YEARS AGO...

### TEN YEARS AGO:

Best wheat in four years in this section is making an average of 15 bushels per acre, according to grain buyers.

The big \$500,000 gas plant of the Texas Pacific Coal & Oil Company recently completed six miles northwest of Hamlin, is scheduled to go into full operation this week, according to Stanley Davis, T-P superintendent out of the Fort Worth T-P office.

Walter Chalcraft, band director for Hamlin schools for five years has resigned to become connected with a music store in Abilene.

### FIFTEEN YEARS AGO:

W. C. Kidd of Pecos was a guest this week in the home of his son, Lonnie Kidd, and of his two daughters, Mrs. J. D. Putman and Mrs. Mildred Roach.

Police Chief J. H. Foster will leave Sunday for Houston, where he will attend the annual convention of Texas police chiefs.

Addition of two new clubs to the six-member Oil Belt Baseball League was announced this week. Teams now include Hamlin, Trent, Divide, Sweetwater, Loraine, Merkel, Hodges and Thornton Motors of Abilene.

### TWENTY-FIVE YEARS AGO:

Weldon Carlton, son of Mr. and Mrs. A. H. Carlton, arrived Tuesday morning from Maracaibo, Venezuela, where he has been for the past 19 months working with the Petty Geophysical in oil exploration work.

Warren Nobles, son of Mrs. Vera Nobles of Hamlin, received his degree in business administration Monday at Texas Tech College in Lubbock.

Mary Boyd, teacher in the Fort Stockton school, is here parents, Mr. and Mrs. W. L. Boyd.

Mrs. Charlie Turper of El Paso is here visiting her mother and sister, Mrs. Eunice Thompson and Ruby.

A big new brick building is going up at the Hamlin Cotton Oil Mill.

## A well of water...

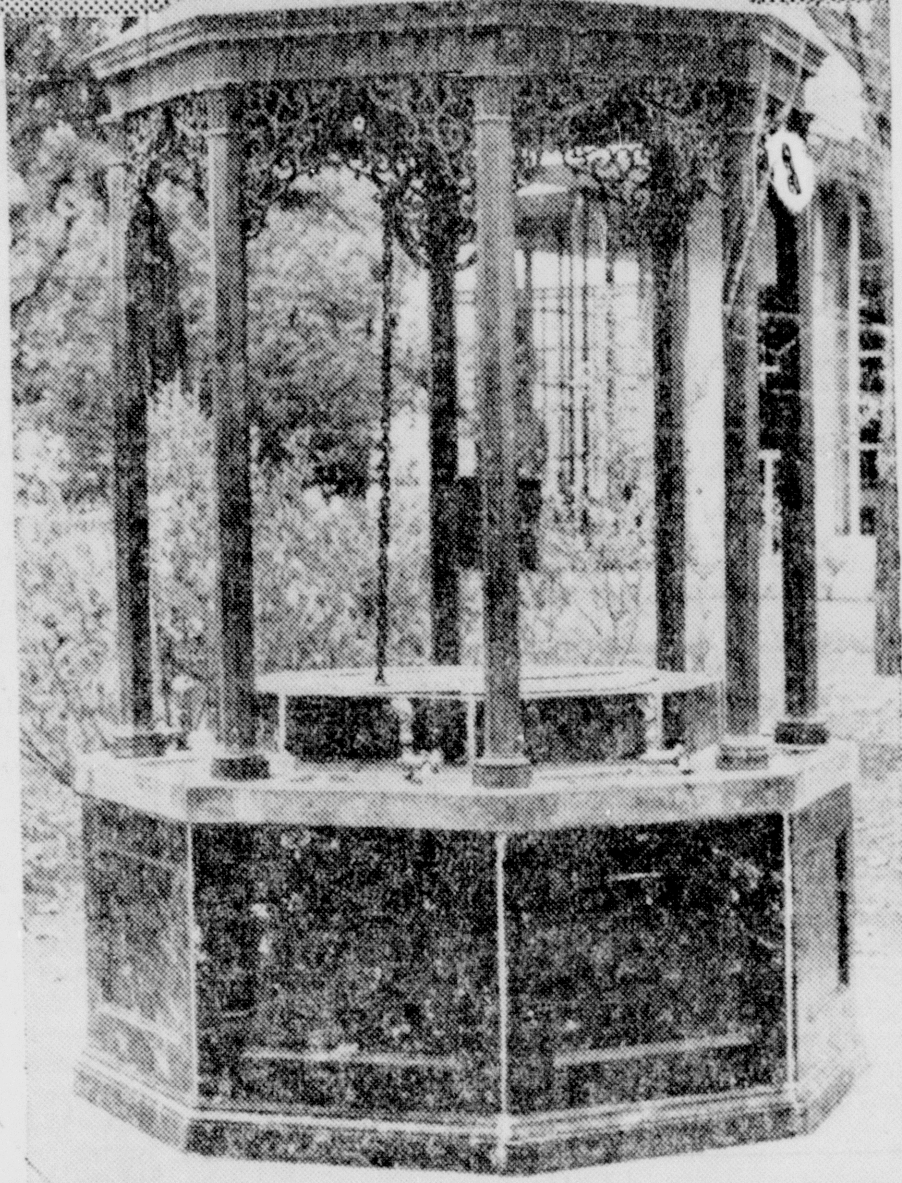

Many important events have taken place at the well. In days long ago it was a meeting place, where all came because of the necessity to obtain life-sustaining water.

Jacob met his beloved Rachel at the well. Moses met the daughters of his future father-in-law at the well in Midian. Much later Jesus Christ met a woman of Samaria at the well and said, "Whosoever drinketh of the water that I shall give him shall never thirst: but the water that I shall give him shall be in him a well of water springing up into everlasting life."

The church of God today is a meeting place where many come to obtain this life-giving and life-sustaining water of which Jesus spoke. Won't you come to this meeting place next Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — State Democratic party leaders here have completed advanced preparation for a June 16 Texas party convention which could turn into a donnybrook or go off smooth as silk.

Action will take place at Houston's big coliseum and the swank Shamrock Hilton Hotel, convention headquarters.

Delegates and alternate delegates who will cast the 2,834 authorized votes (some counties are sending up to 15 times their authorized strength) will be quartered in 27 hotels scattered all over Houston.

Big job is selecting delegates to the August national presidential nominating convention in Atlantic City and picking Texas national Democratic committee representatives.

Big argument is whether the convention will go on record as favoring the as-yet-unwritten national Democratic platform.

Gov. John Connally, who claims a two-thirds to three-fourths margin of control, prefers that delegates remain silent on the liberal national program. He wants to write his own state party platform at the September state convention along moderate-to-conservative lines.

Sen. Ralph Yarborough and State AFL-CIO President Hank

Brown argue the convention not only should pledge its support to President Johnson (there is no argument about that) but to his liberal program as well.

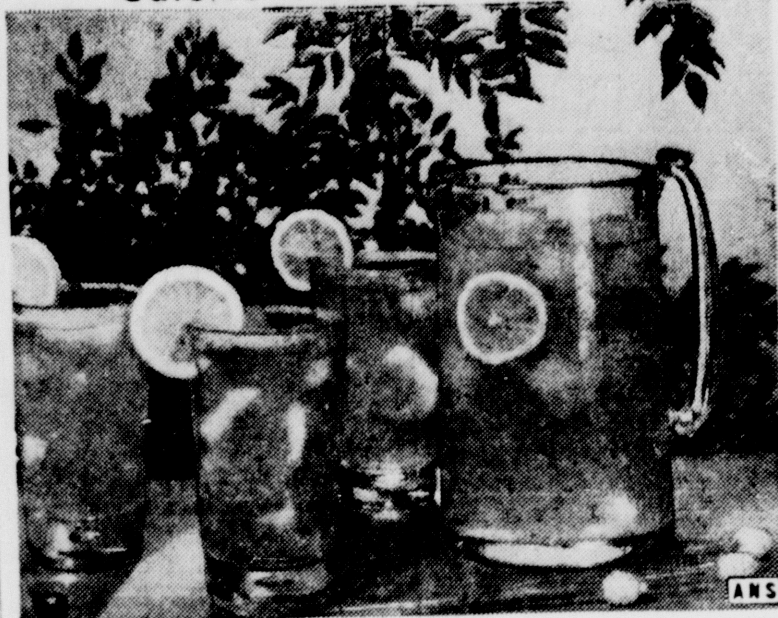

Some 26 per cent of the convention's seats are in contest. Austin Attorney Will D. Davis, chairman of a State Democratic Executive Committee sub-panel on credentials, has instructed heads of 14 rival delegations from seven counties to send him advance written briefs on their positions.

Hearings will begin Monday (June 15) at 9 a.m. in the Shamrock. Recommendations of Davis' group will be passed along to the full SDEC, which will decide in an 8:30 a.m. Tuesday (June 16) session which delegates will be seated. The convention opens at 10 a.m.

Rival fund-raising events are scheduled Monday (June 15). The pro-Connally SDEC will stage a \$10-a-plate dinner to finance the convention. Yarborough's Gulf Coast friends have scheduled an appreciation dinner for the senior senator at the same time.

If President Johnson has preference about how things should go, he apparently kept silent on them during his recent trip to Texas. Aides maintained to the end of the visit

## Calorie Countdown Drinks

LOW-CALORIE BEVERAGES, so popular these days, can now be made with a mix. Called pre-sweetened sugar-free Twist Lemonade Mix, the contents of an envelope make one quart of lemonade when mixed with water and ice cubes.

For those who have no quarrel with calories, there is a twin-type of lemonade mix which is also pre-sweetened, but with sugar. Both types contain Vitamin C. Both are ideal for making lemonade or a variety of quick, inexpensive summer drinks, such as this Sparkling Lemon Fizz:

SPARKLING LEMON FIZZ  
1 package Twist Lemonade Mix  
1/3 tray ice cubes  
1 bottle (1 pt. 12 oz.) club soda  
Lemon slices

Empty lemonade mix into a pitcher. Add ice and club soda. Stir until dissolved. Makes about 1 quart. Garnish with lemon slices and frost rims of glasses, if desired.

Low-Calorie Lemon Fizz made with the sugar-free lemonade mix contains only 5 calories per 8-ounce glass.

he did not discuss politics with his old friend Governor Connally, Senator Yarborough or anybody else.

CONGRESSIONAL REDISTRICTING — Texas Legislative Council study committee has set three hearings to gather firsthand advice from the homefolks on how to form 23 Texas congressional districts of equal population. Dates are July 9, July 10 and July 17.

They will be held in Fort Worth, Dallas and Houston. Others apparently will follow.

Legislators, political party spokesmen and the general public from counties where the meetings will be held and surrounding counties are invited to attend the sessions and give their views on how best to comply with federal court redistricting orders, said Committee Chairman Sen. George Moffett of Chillicothe.

Atty. Gen. Waggoner Carr warned the committee that the 1965 Legislature must solve the congressional redistricting question.

Carr said, "The more you base it on any other considerations, the greater risk you run of having to go through the same thing again in the courts."

LOAN REGULATIONS ADOPTED — Small loan company advertising of such terms as "lowest costs," "quickest service" and "easy payments" is "misleading" under new state regulations. All advertising claims by lenders are subject to the test of absolute accuracy.

Regulations were adopted after public hearings here and go into effect on July 1. Regulatory Loan Commissioner Frank A. Miskell has announced.

Miskell lists other regulations as: No strong arm collection practices permitted. Companies must keep detailed records. Borrowers must be furnished showing all charges on loans. Copies of insurance policies purchased in connection with Money collected in premiums must be turned over to the insurance companies promptly.

COURTS SPEAK — State Supreme Court in a Sweetwater case said cities, by ordinance, can establish compulsory retirement ages for policemen.

The high court also: Held on oil field truckers don't have to haul pipe at lower rates set by the Railroad Commission in 1962 until a court attack on the rates finally is settled.

Set arguments for July 8 on Dallas County Flood Control District's suit to keep the city of Irving from annexing district lands and on appeal of Dr. Daniel William Scott Jr. of Houston from revocation of his license by State Board of Medical Examiners order.

Court of Criminal Appeals was urged to reverse the murder conviction and death sentence of Carl Junior Hackathorn, 19, for slaying Mrs. Bobbie Jewel Nuttycombe, 18, of Dallas.

That court also was called on to order a \$100,000 bond reduced to \$10,000 on Samuel Spivey, another 19-year-old, charged with robbery by firearms in a bizarre Houston robbery-torture case.

The attorney general's office asked federal court to dismiss state appeal of an interstate commerce commission order permitting higher passenger train fares in Texas.

STATE SCHOOL SITE — The big question of location of a newly approved West Texas State School for the mentally retarded will not be settled until September, according to most recent reports from the Board of State Hospitals and Special Schools.

Board's site selection committee, made up of C. E. Bentley of Abilene, former Lt. Gov. Walter Woodul of Austin and Jesse M. Osborn of Muleshoe, has been visiting some 30 West Texas towns which are competing for the school.

BIG SHOPPER — The idea of a \$6,900,000 grocery bill would be enough to cause the average housewife (or her husband) to swoon, but that was the size of the State's grocery bill for fiscal 1963. When the overall item is digested, it points to thrifty shopping.

The \$6,900,000 fed some 40,000 inmates of state eleemosynary institutes, such as state hospitals, special schools, medical schools and correctional institutions, such as hospitals. Cost of feeding each person under state care is about \$173.68 per person. And that shopping triumph should be enough to make the housewife green with envy.

State Board of Control, "Housekeeper for the State", and its purchasers have mastered the technique of conquering spoilage and waste problems to the point that it is looked on as a model by all the other states, Canada and Puerto Rico.

Purchasing Chief Sam G. Cook believes that inmates of Texas institutions are probably the best cared for and best fed of any in the country. He says it is because the state purchasing law lends equal importance to acceptance of the "lowest" and "best" bid from food wholesalers.

AIRPORT AID SOUGHT — Texas Aeronautics Commission is seeking \$490,000 in state aid to help build local airports during the next two years.

At budget hearings here Commission spokesmen and representatives of towns over the state argue for a program to insure at least one airport in all 254 counties. Thirty-five now have none.

Commission requests a \$1,100,000 budget for the next biennium, including the airport program and \$200,700 for an agency headquarters building at the Austin Municipal Airport. All funds except the building cost would come from aircraft fuel taxes.

AG DECISIONS — Attorney General Carr has: Ruled that a county clerk should not accept for recording in the Deed Record a certified copy from another court of record where the seal of the court has not been affixed thereto;

Held state highway funds cannot be used to finance a Texas travel exhibit at sports and vacation shows under either the state constitution or current laws;

Concluded that the party whose candidate for governor received the most votes in the 1962 general election will have

first spot on the general election ballot this year.

HIGHWAY IMPROVEMENT PLAN — State Highway Commission authorized a \$166,000,000 improvement program to get more safety and less congestion on 2,067 miles of primary and state highways.

Of the most authorized, \$151,000,000 is earmarked for construction, and \$15,000,000 for right-of-way. About 65 per cent of the cost is expected to come from state gasoline tax revenue and license fees and the rest from federal grants in aid.

SHORT SNORTS — Highway Commission authorized \$180,700 for construction to enhance recreation resources at Dam B State Park, Eisenhower State Park and Lake Whitney State Park. . . . Land Commissioner Jerry Sadler reports that lease of 40,632 acres of state-owned land brought \$1,730,000 to the University of Texas permanent fund with big tract leased in Andrews, Martin and Reagan counties and highest bid on a single parcel in Ward County. . . . Latest reports from State Treasurer Jesse James shows a drop in cigarette taxes from \$8,331,687 for

May, 1963 to \$7,299,642 for May, 1964. . . . Texas unemployment dropped to 147,000 in April, lowest since October, 1959, reports Texas Employment Commission. . . . In order to protect the legions of undersized brown shrimp being driven from the bays by sudden cool weather and local heavy rains, the Parks and Wildlife Commission issued an emergency order, resetting the 45-day closed Gulf shrimping season for the period June 5 through July 19, inclusive. . . . Oil operators in Andrews and Martin counties will be banned by Texas Water Pollution Control Board order from use of unlined surface pits to dispose of salt water but can file exceptions. . . . Biologists for the Parks and Wildlife Department are urging increased harvest of deer (especially does) during the 1964 hunting season in the mid-coastal area because three years of drought seriously have reduced the range-carrying capacity and caused death by starvation among deer herds.

The scanning spot on a television screen travels 342 miles a second.

**WEIRD COIFFURE GETS INSPECTED** — A Six Flags Spee-lunker musician gets an inspection of its weird coiffure by glamorous Donna Douglas (better known as television's Elly May Clampett) during a premier showing of the newest Six Flags ride... the Spee-lunker Cave. The Spee-lunkers have already taken over the operation of the Park's newest creation, which was coincident with Six Flags' beginning of its daily operation on June 1.

## 'SPEE-LUNKERS CAVE' NEWEST SIX FLAGS ATTRACTION

Six Flags Over Texas newest project, "The Spee-lunkers Cave" will be open to visitors on June 1, the day the Park officially commences its summer daily operation schedule.

Costing \$300,000 the unique creation is the brainchild of Six Flags art director Randall Duell. Constructed in the 600 foot man-made cave has been underway for eight months and some 60 engineers, artists, electricians and special effects technicians will wind up their efforts next week.

The Cave has been termed "a marvel of man's imagination, engineering and animation" by newsmen who inspected the three-quarter finished project last week. Miss Donna Douglas, star of the Beverly Hillsbillies TV show was also present for the tour and saw first hand the strange 30-inch high animated Spee-lunkers who inhabit the cave.

"Visitors will journey through the Cave," explained Dr. Duell, "aboard round Indian Bull boats. Inside the Cave it's completely dark save for the special fluorescent lights

## County HD Agent Warns of Poisons In Home Cupboards

Your Cupboards May Contain Deadly Brew.

A brew more deadly than those stirred up by the witches of fairy tales, says Mrs. B. V. Newberry, Jones County Home Demonstration Agent.

Poisonous gas issuing forth when these ingredients are mixed to gether could kill you, or your wife, or child.

Ingredients which may be in your cupboards that can produce death-dealing gases include chlorin bleach when mixed with vinegar, ammonia, lye, or toilet bowl and other types of cleaners containing these substances. Toxic chlorine gas is released when chlorine bleach is mixed with the substances found in toilet bowl cleaners or with vinegar.

When chlorine bleach solutions are mixed with ammonia or lye, another kind of irritating gas is liberated which also can cause serious injury or death.

Deaths have occurred when these gases have been "manufactured" by housewives in their homes. To protect yourself and your family, learn and teach you family these rules:

Never mix bleach agents or solutions with toilet bowl cleaners, with ammonia, with lye, with rust remover, with vinegar, or with oven cleaner.

To sum it up, never mix bleaching agents with any other cleaning components.

## Hints on Tulips and Hyacinths Given By County Agent

How were you tulips and hyacinths this year?

If you did not get as many as large blooms as usual, they probably need replacing says Mrs. B. V. Newberry, Jones County Home Demonstration Agent. A few small flowers are a sign of overcrowding.

Plant specialist in the U. S. Department of Agriculture suggests you wait until the leaves turn yellow before digging the bulbs. To be sure they are ready, uncover a few without disturbing them. The bulb coat should be light brown.

Keep the bulbs out of direct sunlight, particularly just after digging. Spread them in shallow trays and dry them in an airy, shaded spot.

When the outer scales are dry, move the bulbs to a cool, dry, dimly lit area—your garage or cellar. Be sure not to leave any soil on the bulbs during storage. Check them at least once a week and remove any bulbs that are rotted or diseased.

In early fall — when the bulbs are dry — separate those that have formed clumps. But don't forcibly tear them apart any that are not dry.

## Mrs. Joe League Gives Alathean Class Program

Mrs. Joe League presented a program on "Flower Arrangements" with a talk on how to make good arrangements, whether for the home or formal affairs and illustrated several different arrangements made up, as examples, when the Alathean Sunday School Class of the First Baptist Church met Wednesday at 9:30 a.m. in her home, for the monthly, business and social meeting.

Mrs. Tate May and Mrs. Wilson Brannon were co-hostesses. Mrs. May, teacher, also presided at the business session in the absence of Mrs. Revis Robertson, president. "Get Well" cards were signed by those present and taken to two of the class members who are in the local hospital. Mrs. Charles Lovell and Mrs. Garland Preston.

No "Birthdays Gifts" were presented since there was no members having a birthday during the month of June.

Refreshments of nut roll, coffee or cake, were served.

Others present were: Mmes. George Pruitt, J. E. McCoy and J. D. Kitchen.

The next meeting will be announced later.

## Fredda Cox and Weldon Cook Married Here Sat.

Fredda Jan Cox and Weldon Dwight Cook both of Abilene exchanged double ring wedding vows Saturday afternoon in Hamlin in the home of the bride's grandfather, the Rev. S. J. King, retired Nazarene minister, with the Rev. King officiating.

The bride is the daughter of Mr. and Mrs. S. S. King, Abilene. Mr. and Mrs. King Cook of Rt. 2, Gorman, are the parents of the bride.

Attending the bride were Karen Burink and Charlotte Bowles, both of Abilene. Cook of Gorman, brother of the bridegroom.

The bride, a 1964 graduate of Abilene High School, will attend Glenn and Lott's School of Beauty.

Cook was graduated from Carbon High School in 1962 and is employed by Mack Epler's Restaurant.

...in Robert Lee revival

## Former Resident To Hold Revival

Audley A. Neagle, formerly of Hamlin, now of Abilene pastor of Rogers Missionary Baptist Church, will be the evangelist for a revival at Decan Baptist Church at Robert Lee June 21-24.

There will be morning and night services with a vacation Bible School held with the revival.

Rev. Neagle was called as pastor by the Rogers Church in 1959.

He preached the message for the Annual meeting of the Fairland Baptist Association of 1963, and was elected by the messengers to bring the Annual message for the association meeting in October 1964. He is a member of the mission board, and one of the special planning mission committee for the Fairland Baptist Association.

## July 4th Specials To Please

**DECORATE FUDGE** to make "flags" in celebration of the Glorious Fourth. Make chocolate crinkle cups by melting 6 squares semi-sweet chocolate with 2 tablespoons butter; stir. Using a teaspoon, swirl the chocolate all around the inside of 10 large paper baking cups. Place in muffin pans. Chill. To make the decorations melt 1-1/2 squares semi-sweet chocolate; stir and cool to about 83°, then dip small end of 10 pineapple wedges into chocolate. Let stand on wax paper until firm. Insert wooden pick through candied cherry and into plain end of pineapple. Ten minutes before serving, fill cups with scoops of ice cream. Place in freezer ten minutes. Peel off paper. Top ice cream with fruit-picks.

**CHOCOLATE CREME FUDGE**

8 squares (1 package) Baker's Semi-Sweet Chocolate	1/4 cup butter or margarine
2/3 cup chopped walnuts	1-1/2 cups sugar
1/4 cup marshmallow cream	1/2 cup evaporated milk

Break the chocolate squares in half. Place in a bowl with nuts, marshmallow cream, butter, and vanilla.

Combine sugar and evaporated milk in saucepan. Bring to a boil over low heat, stirring occasionally. Continue boiling, without stirring, until a small amount of mixture will form a very soft ball in cold water (or to a temperature of 232°). Immediately pour over ingredients in bowl. Stir until chocolate is melted and all ingredients are evenly mixed. Pour into buttered 8-inch square pan. Cool until set, then cut into pieces or rectangles. Makes about 1-3/4 pounds.

Note: Fudge should be stored in the refrigerator.

## LIVESTOCKMEN ADVISED TO BREED RIND FAT INTO MEAT

**COLLEGE STATION** — Cattle breeders and feeders should take a look at the possibilities of breeding some of the rind fat into meat, advises Frank A. Orts, Extension meats specialist at Texas A&M University.

The specialist says there are several factors which affect the "cutability" or yield of edible meat from beef carcasses. However, main factors are fatness and muscling as indicated by ribeye area. Fatness or degree of finish has most influence on percent of carcass. Animals with a thin rind of fat yield much higher cutout than those with thicker fat coverings.

A good measure of fatness of a beef carcass is the fat covering over the ribeye muscle. For each one-tenth inch increase in the fat covering, there is a reduction of one and one-half percent in the amount of red meat in a beef carcass.

Though the amount of fat covering over the ribeye has a tremendous effect on cutout, extremely trim cattle will usually be deficient or devoid of marbling which, at the present time, is one of the best indicators of eating quality we have at our disposal.

Eating quality is a factor which one should not forget when assessing the carcass merit of a particular steer or cow. It is not that even though the carcass has good marbling and tenderness is low, it is significant because as marbling increases, tenderness and overall satisfaction with a steak from that carcass also increases.

## Protecting Rod Handles

To prevent cork handles on fishing rods from drying out and splitting, coat the cork with glycerine before putting you rods in law-away for any length of time. The liquid easily will wash away and your rod handle will be good as new.

## Chain As Sinker

A piece of chain of several links makes a practically no-sink sinker for rock fishing. Use for many links as are needed for the correct weight.

## Magnet Hook Holder

A small magnet in your tackle box makes a neat holder for fishing hooks. It prevents them from rattling or spilling and keeps them right handy.

## Plastic Protector

A 9 x 12 piece of plastic makes a vital contribution to

your camping gear. It can be used as a lean-to shelter, put underneath sleeping bags, or used to cover food left on the table.

## Keep Worms Alive

Worms can be kept crawling and lively until it's time to put them to work if you keep them in a container filled with peat moss instead of dirt.

## Jones County 4-H Dress Review Set June 23 in Anson

The Jones County 4-H Club Dress Review will be held on June 23 at 2:30 p.m. at the Anson Lions Club Hall, reports Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

There will be three Junior divisions for the 9 and 10 year old, the 11 and 12 year old, and the 13 year old. The Senior division will be the girls who were 14 years old by January 1, 1964 and older.

All Jones County 4-H Club girls are urged to enter a dress, skirt, blouse or an apron. There are entry prizes for all participating. The 13 year old county winner will model her dress in the District III Dress Review at Vernon to be held on August 7. The Senior winner will enter her dress in the District Dress Review in competition with the other counties of District III.

## \$552,000 FOR HIGHWAY WORK APPROVED FOR JONES COUNTY

The Texas Highway Commission today approved the expenditure of \$552,000 for highway construction in Jones County during 1965-66, announced District Highway Engineer J. C. Roberts of Abilene.

He said a total of 153 highways miles in the county will be involved. The work will be under the supervision of W. F. Dixon, Resident Engineer, Anson.

This work is part of the 1965-66 Consolidated Highway Program. More safety and less congestion for 2,067 miles of Texas highways was the objective of the \$166 million improvement program just authorized by the Texas Highway Commission.

The biennial Consolidated Highway Program is beamed at correcting traffic problems on parts of the Primary Highway System of U. S. and State-numbered highways in Texas.

The Highway Commission called the 2-year program "vital to our keeping pace with a traffic explosion that is increasing five per cent a year." In view of the diffusion of Texas' 22 metropolitan areas—more than any state—"these city-connecting highways must continue to be systematically upgraded for the good of the citizenry."

ies they serve, as well as the safety and convenience of the through traveler," the commission said.

District Engineer Roberts said a total of 114.3 miles in this highway district would be involved at a total cost of \$4,834,000.

The following projects will take place in this county:

U. S. 277 — From Stamford to U. S. 83 North of Anson, 12.6 miles. Grading Structures on 2 Additional Lanes, \$286,000.

U. S. 83 — From Taylor County Line, North 2.7 miles, Reconstruct Grading, Structures and Surfacing on 2 old lanes \$266,000.

## Jehovah's Witnesses To Wichita Falls

The Stamford Congregation of Jehovah's Witnesses is canceling all local meetings to attend a circuit assembly in Wichita Falls, June 12-14.

The 16 congregations will meet to discuss their ministry and to offer remedies for existing weaknesses in order to stay abreast with the world wide work of Jehovah's Witnesses.

The semi-annual circuit assembly will be held in the Barwise Junior High School. The group is expecting 500 delegates from the circuit, reaching from Wichita Falls to Fredericksburg and Abilene to Mineral Wells.

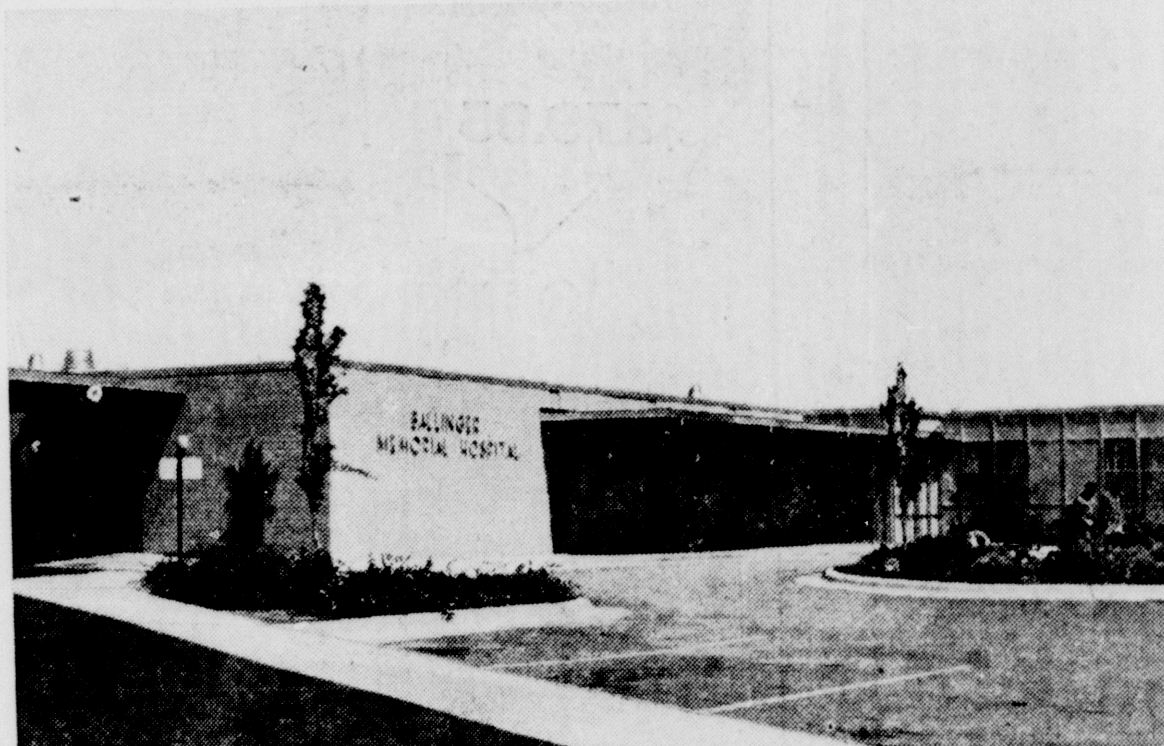

The three-day program includes a variety of Bible talks, discussions on ministerial problems and demonstrations on the technique of the ministry.

Wallace Wright of Haskell overseer of the Stamford Congregation, which includes Hamlin, said.

Barbara Cheshier of Fort Worth is home visiting her mother and sister, Mrs. Ione Cheshier and Crystal. Barry is home on leave from the Navy before being sent to Siberia for duty.

## PATTERNS FOR PROGRESS

## What makes a community grow?

Our recent PATTERNS FOR PROGRESS ads have summarized basic economic development factors. The series continues as we advance to community development, which is made possible by sound economic development.

The West Texas community of Ballinger is a shining example. With organization, teamwork and sound planning, Ballinger has developed a \$400,000 Memorial Hospital (pictured above) . . . 17 new commercial buildings . . . modernization of 16 others . . . 21 new businesses . . . a new community center . . . major park improvements . . . a frontier museum . . . and the adoption of a new city charter.

Ballinger is an outstanding PATTERN FOR PROGRESS.

When such a community spirit seeks new industry, even more growth comes. National studies show payrolls from 100 basic new jobs increase local personal income by \$660,000 . . . bank deposits by \$229,000 . . . annual retail sales by \$331,000 . . . add three new retail outlets . . . increase population by 359 including 91 school children . . . add 100 new homes . . . 97 more car registrations . . . and create 65 new non-manufacturing jobs.

WTU's area representatives will assist growth-conscious communities in planning for community development programs and activities. This service is available on request through your WTU local manager.

... with vigorous physical activity for at least 15 minutes every day. That's all it will take to get and keep our children in shape. Right now, one third of them are unable to pass minimum physical achievement tests.

That's because most physical activity programs in our schools concentrate on the 10% or so of our youngsters interested in varsity sports. The other 90%—those most in need of physical conditioning—rarely get the body-building activities they need.

Our schools can help by offering a planned, vigorous physical education program. Talk to your local school officials about it. And, for a free booklet to help you evaluate the youth fitness of your school, write the President's Council on Physical Fitness, Washington 25, D.C.

# OLD GLORY...

4-H

4-H's from Old Glory who attended the 4-H Round-up at A & M University in College Station last week were:

Marvin and Nancy Vahlenkamp, Farm and Ranch Management Team. They placed 13th in state competition.

Charles and Stanley Diers, Mike Baldrice and Judy White, Poultry Judging Team. This team placed 5th in their division.

Adult leaders from here who accompanied the 4-H'ers were Mrs. Herbert Vahlenkamp and Mrs. Bernice D. White.

Three girls from Old Glory will represent the Stonewall County 4-H Clubs at District Leadership Camp to be held at Lueders on June 15, 16 and 17. They are Carolyn Sander, Rev. Letz and Judy White. Mrs. Bernice White, local adult leader, will accompany the group.

Sharon Leverett, another one of the Old Glory 4-H girls will also be at the District Camp as a member of the State 4-H Council.

Old Glory voters were defeated in their choice for County Commissioner Precinct No. 1, in last Saturday's election. They supported Travis Beil, the incumbent, with 129 votes against 29 votes for Cliff Ghoson. But Ghoson won the election with 269 votes against Beil's 232.

Voters here were also defeated in their vote for the County Unit System. The vote here was 137 votes against the system and 16 votes for it, but the overall county vote was 531 votes for and 489 against.

On the question of employing a government trapper, voters here went along with the rest of the county, casting 37 votes for and 114 votes against the trapper. The county vote was 506 for and 531 against.

Mr. and Mrs. Dalton Gill and Dalton Mitch of Flower Grove visited in the Jerry Johnston home last week end.

## Forage Crops Need Topdressing After Each Harvest

To set maximum yields from high producing forage crops like Coastal Bermuda and hybrid sorghum-Sudan, topdressing after each harvest is a necessity, reports Jones County Agent Kirby Clayton.

Nitrogen is the main element required when topdressing grasses, although some soils may need an application of potash after the second harvest. Clayton said topdressing is needed by crops that are grazed as well as for those cut for hay.

The amount of nitrogen to use for each topdressing varies from 30 to 100 pounds per acre, he said.

"If you were shooting for a five or six ton per acre hay yield when you fertilized this spring, 40 to 50 pounds of nitrogen per acre will be about right," said Clayton.

A soil test is the only source for finding the exact amount to apply, Clayton said. When the testing lab knows what grass crop is being used, they give fertilizer recommendations for managing the crop for the following two years. After the two years, another soil test is needed to determine what fertilizer to use.

The Agent warned that if Coastal is not topdressed and is instead managed like Bermuda, yields can be expected to be better than with common Bermuda.

By MRS. ELMER JOINER

In West Texas it always goes from one extreme to another, last Sunday people were wearing coats, yesterday they were sweating in one hundred degree weather. High winds have prevailed the last 24 hours, making us hopeful that it will bring rain, which is another thing in West Texas, we always need rain.

Mrs. Woodrow Goodwin is recuperating nicely, in the Hamlin Hospital, from major surgery, which was performed last Tuesday morning.

Mr. and Mrs. E. A. Henry went to Lubbock, Sunday, to visit with his brother who is seriously ill in that city.

Mrs. Billy Holmes, daughter-in-law of Mr. and Mrs. Larry Holmes, had a very lengthy and serious surgery in an Abilene Hospital, last Saturday.

As of Sunday she was reported to be doing as well as could be expected. This made her several major operations in the last few years, and may this one be her last.

Mrs. Fred Rosenbaum visited last Tuesday afternoon with Mrs. Albritton. Mrs. Albritton is the grandmother of Mrs. Joe R. Rosenbaum and has been crippled since a fall some time ago. She and Mrs. W. L. Boyd are living together in Hamlin.

Mr. and Mrs. Roy Taylor, of Muleshoe, spent last Thursday night with the Elmer Joiners.

Rev. and Mrs. Kenneth Levrett, Kimmy and Kristie, visited in Odessa the first of last week, with his relatives. They came back to Abilene, where Mrs. Levrett enrolled at Hardin-Simmons for a three weeks Reading Workshop, starting last Thursday.

last Thursday.

Mr. and Mrs. Jack D. Wright, Melinda and Keenan, spent the weekend in Lubbock, with her cousins, Mr. and Mrs. Bill Clements and girls.

Mr. and Mrs. H. L. Ford are driving a new Plymouth, which they purchased last week.

Mr. and Mrs. Clinton Holmes and children, of Plainview, visited his brother, Mr. and Mrs. Flavil Holmes, last Friday night.

Mr. and Mrs. H. L. Ford and Mr. and Mrs. Fred Rosenbaum visited with Mr. and Mrs. Joe Ford last Thursday night, trying out the Ford's new car.

They say when the cat is away the mice will play, and that seemed to be the story last Wednesday night, as the pastor was away, and owing to the farmers being in such a rush and sickness, there was no mid-week services held, maybe we can make up for it this week.

Our church is beginning to think about our summer revival, which will be August 7, through 16. That has been a date of long standing at Fairview, Friday night before the second Sunday in August. At this time it has not been learned who will help in the revival.

## Merkel Bridge Club Plans Charity Tourney June 14

The Merkel Duplicate Bridge Club announced plans this week to sponsor a charity bridge tournament June 14 at the Merkel Country Club.

All proceeds from the tournament will go to the West Texas Rehabilitation Center in Abilene, stated Janice Russell, bridge club reporter.

The tournament will consist of two sessions with the first session beginning at 1:30 p.m. Following the first session will be a buffet dinner.

The second session will begin at 7:30 p.m.

Participants may play in either or both sessions, Mrs. Russell stated. She added that the cost for the entire day will be \$5 and will include both sessions and the buffet dinner.

## PHILOSOPHER FINDS COMFORT IN LEARNING LADY BIRD'S FARM ONLY MAKES 7c AN ACRE

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 takes note of a certain famous farmer this week.

Dear editor:

There are some types of news that sort of jump out at you from a newspaper and then continue to stare you in the face throughout the day.

A sample is the news I read in a newspaper yesterday morning before I began my day's work. Some farmers fill up their tractor with oil and gas and then take off, but I always figured I ought to fuel up my

mind too and consequently like to look over the newspaper before starting out so my brain will have something to operate on also. Sometimes you don't find much, but then sometimes it doesn't take much for a brain to run on. If you will adapt your brain to whatever newspaper is handy, you'll find you can get by on very little, and while I'm not naming any newspapers, frequently it's a necessity.

According to this item, Mrs. Lyndon Johnson, the President's wife made only \$284 profit on a 4000-acre farm in Alabama last year.

I thought about this all day and came to some conclusions.

In the first place, this proves the folly of keeping books on a farming operation. It's a lot better to wind up a year knowing you didn't do so well than to know you made only 7 cents an acre, which is what Mrs. Johnson's farm made. At that figure, a man would need 50,000 acres to clear only \$3,500 a year, and there's not that much land to go around on earth, even if you count the floor of the ocean. Mrs. John-

son she's saving this land for her children, but you reckon that's a favor to them?

I know this is unscientific, but I don't care to know in black and white how much per acre this Johnson grass farm is making.

At any rate, it's good to know that Mrs. Johnson and me are farming along the same lines and it's a comfort to know that we've got a president whose wife can tell him us farmers aren't coining money.

Yours sincerely,  
J. A.

## E. M. CONNELL RETIRING AS COUNTY SCHOOL SUPERVISOR

E. M. Connell, Jones County supervisor for the past 14 years, will retire at the end of this month. He has been employed by the County Board of School Trustees under Cooperative Agreement out of the County superintendent's office as supervisor of instruction six Jones County Schools: Anson, Avoca, Hamlin, Hawley, Lueders and Noodle-Horn.

Larry E. Dooley, head of the vocational agriculture department in the Anson Public Schools for the past 17 years, has been employed by the trustees to succeed Mr. Connell. He will assume his new duties Sept. 1.

Mr. Connell has been in school work for more than 40 years. He was superintendent of the Anson Independent School District for 24 years immediately preceding his employment as supervisor. He received his education at North Texas State Teachers College and the University of Texas.

He plans to continue to live in Anson where he is active in the community in church and Boy Scout work. He plans also to find time for hobbies which include golf and yard work.

Mr. Dooley, who received his bachelor of science and master of education degrees from A&M in 1944 and 1948, respectively, will complete a course this summer at Abilene Christian College, Abilene, which was started about two years ago in supervision, counseling and guidance. He will receive a certificate covering these areas upon completion of the summer session.

The supervisory program was one of two programs supplied from the office of County Superintendent Everett Beaver. The other is a school health program in Anson, Avoca, Hawley, Lueders and Noodle-Horn. Hamlin operates its own school health program. Stamford does not participate in either of the

programs because their system is large enough to have its own supervisory and health programs.

## 3 Stamford Youths Receive Five Year Penitentiary Terms

Three Stamford youths who pleaded guilty May 26 in 104th District Court on a charge of robbery by assault drew five-year terms in the penitentiary. Judge Owen Thomas sentenced

Hamlin, Texas, Thursday, June 11, 1964

ed the young men Friday, giving each credit for the time spent in Jones County jail.

Seledonio Ramones Delgado and Jesses Cedillo each received credit for 205 days, while Raymond Gallardo's credit was 25 days.

Gallardo was a minor at the time the offense occurred in Stamford and he was not committed to jail until he became 17.

Six youngsters were arrested as the result of the beating and eventual death of a migrant cotton picker near the Farmers Coop gin the night of Nov. 10 last year. One was released

for lack of evidence, one is still a juvenile, one has been tried and found guilty of murder.

Ramon Cedillo was given two years in the penitentiary on the murder count. He is free on bond pending appeal. He also faces the robbery with assault charge.
